## Spurgeon On Revival:

*Spurgeon on Revival* Eric W. Hayden, 2018-04-25 Mr Hayden points out that the key to the revival which arose under Spurgeon's ministry and went on almost continuously throughout his long and fruitful pulpit career is to be found in Spurgeon's autobiography There Spurgeon reveals and credits the membership of his new Park Street Chapel and their earnest all out prayer for his success in the ministry This documented study of Spurgeon's emphasis upon and attitude toward revival will reward today's reader with insight into and understanding of our need for revival today and the only source from which this revival can come A prayerful reading of these pages could well result in renewed and revitalized Christian living among God's people today *Let It Begin With Me* Charles Haddon Spurgeon, Robert Backhouse, 1996 C H Spurgeon is one of the greatest preachers who ever lived The subject of this book is revival and Spurgeon does not take isolated Bible verses on the subject out of context By carefully noting the context in which God's teaching is revealed in the Bible the reader's understanding and experience are greatly deepened and broadened **Spurgeon on Revival** Charles Haddon Spurgeon, Robert Backhouse, 1996-01-01 **A Revival Sermon** C.H. Spurgeon, 2020-01-17 A Revival Sermon is a message of meditation based on the Bible and written by one of the most important Christian writers of all time A devotional message of faith and hope for you Charles Haddon CH Spurgeon 19 June 1834 31 January 1892 was a British Particular Baptist preacher Spurgeon remains highly influential among Christians of various denominations among whom he is known as the Prince of Preachers He was a strong figure in the Reformed Baptist defending the Church in agreement with the 1689 London Baptist Confession of Faith understanding and opposing the liberal and pragmatic theological tendencies in the Church of his day It is estimated that in his lifetime Spurgeon preached to around 10 000 000 people Spurgeon was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was part of several controversies with the Baptist Union of Great Britain and later had to leave the denomination In 1867 he started a charity organisation which is now called Spurgeon's and works globally He also founded Spurgeon's College which was named after him posthumously Spurgeon was a prolific author of many types of works including sermons an autobiography commentaries books on prayer devotionals magazines poetry hymns and more Many sermons were transcribed as he spoke and were translated into many languages during his lifetime Spurgeon produced powerful sermons of penetrating thought and precise exposition His oratory skills held his listeners spellbound in the Metropolitan Tabernacle and many Christians have discovered Spurgeon's messages to be among the best in Christian literature *C.H. Spurgeon's Sermons on Revival* Charles Haddon Spurgeon, 1977 **Revival** Charles H. Spurgeon, 2017-09-25 Churches pray for it Christians long for it Ministers declare it a matter to be sought after But what is revival To some it is the sweeping power of the Holy Spirit converting towns and villages To others it is the closing of drinking establishments and a weeping over sin To yet more people it is the transformation of the Holy Spirit in the life of the individual To Spurgeon revival was a complex

matter to be investigated thoroughly but not with a narrow mind This collection of Spurgeon s sermons demonstrates that he has spent much time considering the nature of revival His teaching on the subject is second to none and helps us the Christian in the 21st century to grasp what God means when He speaks of revival The Prince of Preachers Charles H Spurgeon 19th June 1834 31 January 1892 was not only a wonderful orator but also magnificent with his pen The sermons he preached touched the lives of thousands His writings still continue to reach those who read them to this very day Reading Spurgeon today may be secondary to the impossibility of hearing him but there is no doubt that his words still carry the weight of Biblical truth Spurgeon is best remembered as the pastor the Metropolitan Tabernacle London England There he enjoyed many years of fruitful ministry leading people to Christ and pastoring the ever growing congregation of the Church

**Revival Sermons** Charles Haddon Spurgeon,1965 Spurgeon's Teaching on Revival Charles Spurgeon,2017-09-13 It is fair to say that Charles Haddon Spurgeon is one of the best known preachers in the history of the world It is definite that he was England s best known preacher for the second half of the 19th century He took Christ as his Lord and Saviour in 1850 and just four years later was called to be the pastor of London s famed New Park Street Church It was under his pastoral care that this Church outgrew its building and had to move to new premises This new site gave rise to a new name one that is renowned even today the Metropolitan Tabernacle We are delighted to present to you Spurgeon s sermons in this new series of publications This book is the collection of 12 of C H Spurgeon s sermons faithfully recorded and edited for publication The subject of these sermons addresses the great need of the world and the Church today Revival These sermons form Spurgeon s teaching on the Blood of the Lord Jesus Christ This theme is without doubt a matter that each Christian wants to experience and witness in our land today It is our hope and prayer that these sermons will bless you just as they did those who listened to the Prince of Preachers over a century ago This is still a treasure of wisdom and encouragement for the 21st century

**Spurgeon & Revival** Robert H. Lescelius,2001-09-01 In this volume Dr Robert Lescelius considers Charles Spurgeon s views on revival **All of Grace** Charles Spurgeon,2017-03-13 HE WHO SPOKE and wrote this message will be greatly disappointed if it does not lead many to the Lord Jesus It is sent forth in childlike dependence upon the power of God the Holy Ghost to use it in the conversion of millions if so He pleases No doubt many poor men and women will take up this little volume and the Lord will visit them with grace To answer this end the very plainest language has been chosen and many homely expressions have been used But if those of wealth and rank should glance at this book the Holy Ghost can impress them also since that which can be understood by the unlettered is none the less attractive to the instructed Oh that some might read it who will become great winners of souls Who knows how many will find their way to peace by what they read here A more important question to you dear reader is this Will you be one of them A certain man placed a fountain by the wayside and he hung up a cup near to it by a little chain He was told some time after that a great art critic had found much fault with its design But said he do many thirsty persons drink at it Then they told him that thousands of poor people men

women and children slaked their thirst at this fountain and he smiled and said that he was little troubled by the critic's observation only he hoped that on some sultry summer's day the critic himself might fill the cup and be refreshed and praise the name of the Lord Here is my fountain and here is my cup find fault if you please but do drink of the water of life I only care for this I had rather bless the soul of the poorest crossing sweeper or rag gatherer than please a prince of the blood and fail to convert him to God Reader do you mean business in reading these pages If so we are agreed at the outset but nothing short of your finding Christ and Heaven is the business aimed at here Oh that we may seek this together I do so by dedicating this little book with prayer Will not you join me by looking up to God and asking Him to bless you while you read Providence has put these pages in your way you have a little spare time in which to read them and you feel willing to give your attention to them These are good signs Who knows but the set time of blessing is come for you At any rate The Holy Ghost saith Today if ye will hear his voice harden not your hearts CHARLES SPURGEON GET MORE BOOKS AT REVIVALPRESS.NET

*Charles Spurgeon* Charles Spurgeon, Revival Press, 2017-03-27 This is how the lecture came about in the first place It has grown considerably since it was born as all lively children do In addressing my students in the College long ago I was urging upon them the duty and necessity of using plenty of illustrations in their preaching that they might be both interesting and instructive I reminded them that the Saviour had many likes in his discourses He said over and over again The kingdom of heaven is LIKE The kingdom of heaven is LIKE Without a parable spake he not unto them The common people heard him gladly because he was full of emblem and simile A sermon without illustrations is like a room without windows One student remarked that the difficulty was to get illustrations in any great abundance Yes I said if you do not wake up but go through the world asleep you cannot see illustrations but if your minds were thoroughly aroused and yet you could see nothing else in the world but a single tallow candle you might find enough illustrations in that luminary to last you for six months Now the young brethren in the College are too well behaved to say Oh or give a groan of unbelief should I perchance say a strong thing but they look and they draw their breath and they wait for an explanation I understand what they mean and do not make too heavy a draft upon their faith by long delays in explaining myself The men who were around me at that particular moment thought that I had made rather a sweeping assertion and their countenances showed it Well I said I will prove my words and my attempt to prove them produced the rudiments of this lecture CHARLES SPURGEON GET MORE BOOKS AT REVIVALPRESS.NET

**A Short History of Global Evangelicalism** Mark Hutchinson, John Wolffe, 2012-04-30 This book offers an authoritative overview of the history of evangelicalism as a global movement from its origins in Europe and North America in the first half of the eighteenth century to its present day dynamic growth in Africa Asia Latin America and Oceania Starting with a definition of the movement within the context of the history of Protestantism it follows the history of evangelicalism from its early North Atlantic revivals to the great expansion in the Victorian era through to its fracturing and reorientation in response to the stresses of modernity and total war in the late nineteenth and early twentieth centuries It

describes the movement's indigenization and expansion toward becoming a multicentered and diverse movement at home in the non Western world that nevertheless retains continuity with its historic roots The book concludes with an analysis of contemporary worldwide evangelicalism's current trajectory and the movement's adaptability to changing historical and geographical circumstances

Around the Wicket Gate Charles Spurgeon, 2017-03-13 MILLIONS OF MEN are in the outlying regions far off from God and peace for these we pray and to these we give warning But just now we have to do with a smaller company who are not far from the kingdom but have come right up to the wicket gate which stands at the head of the way of life One would think that they would hasten to enter for a free and open invitation is placed over the entrance the porter waits to welcome them and there is but this one way to eternal life He that is most loaded seems the most likely to pass in and begin the heavenward journey but what ails the other men This is what I want to find out Poor fellows they have come a long way already to get where they are and the King's highway which they seek is right before them why do they not take to the Pilgrim Road at once Alas they have a great many reasons and foolish as those reasons are it needs a very wise man to answer them all I cannot pretend to do so Only the Lord himself can remove the folly which is bound up in their hearts and lead them to take the great decisive step Yet the Lord works by means and I have prepared this little book in the earnest hope that he may work by it to the blessed end of leading seekers to an immediate simple trust in the Lord Jesus He who does not take the step of faith and so enter upon the road to heaven will perish It will be an awful thing to die just outside the gate of life Almost saved but altogether lost This is the most terrible of positions A man just outside Noah's ark would have been drowned a manslayer close to the wall of the city of refuge but yet outside of it would be slain and the man who is within a yard of Christ and yet has not trusted him will be lost Therefore am I in terrible earnest to get my hesitating friends over the threshold Come in Come in is my pressing entreaty Wherefore standest thou without is my solemn inquiry May the Holy Spirit render my pleadings effectual with many who shall glance at these pages May he cause his own Almighty power to create faith in the soul at once My reader if God blesses this book to you do the writer this favor either lend your own copy to one who is lingering at the gate or buy another and give it away for his great desire is that this little volume should be of service to many thousands of souls To God this book is commended for without his grace nothing will come of all that is written C H Spurgeon GET MORE BOOKS AT REVIVALPRESS.NET

*Revivals Visitations And Moves Of God*, 2021-07-01 Revival is bringing something that is dead back to life Much of today's Church needs reviving When God comes in an unusual way releasing His presence and power over and above what a church normally experiences we call it a visitation of God Every visitation of God should become a habitation of God and become a move of God going beyond that local church into the community city and nation The move of God results in evangelization missions and the fulfilling of the Great Commission Starting in the book of Acts and down through the centuries there have been numerous visitations and moves of God We look at Church history Understanding history helps us correctly interpret the present and prepare for the

future We draw inspiration insight and lessons from what God has done in the past by reviewing stories and asking relevant questions What can we learn from Church history about revivals visitations and moves of God What does it take for a visitation of God to become a move of God What are signs of a genuine visitation of God How do we steward a revival a visitation and a move of God The latter rain falls just before harvest Therefore be patient brethren until the coming of the Lord See how the farmer waits for the precious fruit of the earth waiting patiently for it until it receives the early and latter rain You also be patient Establish your hearts for the coming of the Lord is at hand James 5 7 8 In biblical context the early rains were showers that usually came during October November and prepared the ground for the seed The latter rain fell during March April and was necessary for the ripening of the crops before harvest If we believe God is preparing for a mighty endtime outpouring a great visitation and ingathering of harvest before His return then we must get ourselves and our congregations ready for the latter rain of the Holy Spirit Watch our online Sunday Church service live stream every Sunday at 10 30am Indian Time GMT 5 30 Spirit filled anointed worship Word and ministry for healing miracles and deliverance YOUTUBE <https://youtube.com/allpeopleschurchbangalore> WEBSITE <https://apcwo.org/live> Our other websites and free resources CHURCH <https://apcwo.org> FREE SERMONS <https://apcwo.org/sermons> FREE BOOKS <https://apcwo.org/books> DAILY DEVOTIONALS <https://apcwo.org/resources/daily-devotional> JESUS CHRIST <https://examiningjesus.com> BIBLE COLLEGE <https://apcbiblecollege.org> E LEARNING <https://apcbiblecollege.org/elearn> COUNSELING <https://chrysalislife.org> MUSIC <https://apcmusic.org> MINISTERS FELLOWSHIP <https://pamfi.org> CHURCH APP <https://apcwo.org/app> CHURCHES <https://apcwo.org/ministries/churches> This book may be freely used by individuals small groups churches and ministries for non commercial purposes These are not to be sold and must be distributed freely Appointed Days; Anointed Days Gary Meaders, 2024-07-30 This book provides excerpts from many events or moments throughout history that Christian believers treasure more than any others These may be related to events pertaining to specific individuals leaders or those linked to denominational affiliations or other forms of doctrinal identification or history It lists one momentous moment from Christianity's history for each day of the calendar year That event is linked to that date by its actual occurrence or by the date of its reporting Included are natural disasters that brought about a search for religious solace awakenings revivals denominational events and ecclesiastical histories As such it may be useful as a daily devotional a historical reference or a source of motivation and inspiration It will for a full year remind the reader that this is the day that the Lord has made

Revivals; how to Promote Them ,1895      **How to Promote & Conduct a Successful Revival** Rueben A.

Torrey, 2020-06-01 Yet we do speak wisdom among those who are mature a wisdom however not of this age nor of the rulers of this age who are passing away 1 Corinthians 2 6 There are too many trying to promote revival by pushing doctrines that have never produced a revival in all of church history These doctrines are called new but they are in reality as old as the early heresies that crept into the church They have never had power to produce conviction of sin conversion or regeneration

so presumably they will not have that power today Some of the methods described in this book will appear novel to many but they are methods that have been tried before and proven effective There is no mere theorizing in the book Men whom God has used in winning souls to Christ and building up believers have been asked to write out of their own experience No one who has been asked to write has declined Such a book as this seems to be an absolute necessity of the hour There are thousands of ministers and other Christian workers in the land longing for a true revival of God s work but with no experimental or even theoretical knowledge of how to go to work to promote such a revival It is our earnest prayer and confident expectation that this book will prove helpful to all such men

*The Greatest Fight in the World* Charles Spurgeon, Revival Press, 2017-03-23 I may say to you as speakers that I am persuaded we should prepare ourselves with diligence and try to do our very best in our great Master s service I think I have read that when a handful of lion like Greeks held the pass against the Persians a spy who came to see what they were doing went back and told the great king that they were poor creatures for they were busied in combing their hair The despot saw things in a true light when he learned that a people who could adjust their hair before battle had set a great value on their heads and would not bow them to a coward s death If we are very careful to use our best language when proclaiming eternal truths we may leave our opponents to infer that we are still more careful of the doctrines themselves We must not be untidy soldiers when a great fight is before us for that would look like despondency Into the battle against false doctrine and worldliness and sin we advance without a fear as to the ultimate issue and therefore our talk should not be that of ragged passion but of well considered principle It is not ours to be slovenly since we look to be triumphant Do you work well at this time that all men may see that you are not going to be driven from it The Persian said when on another occasion he saw a handful of warriors advancing That little handful of men Surely they cannot mean fighting But one who stood by said Yes they do for they have burnished their shields and brightened their armour Men mean business depend upon it when they are not to be hurried into disorder It was the way amongst the Greeks when they had a bloody day before them to show the stern joy of warriors by being well adorned I think brethren that when we have great work to do for Christ and mean doing it we shall not go to the pulpit or the platform to say the first thing that comes to the lip If we speak for Jesus we ought to speak at our best though even then men are not killed by the glitter of shields nor by the smoothness of a warrior s hair but a higher power is needed to cut through coats of mail To the God of armies I look up May He defend the right But with no careless step do I advance to the front neither does any doubt possess me We are feeble but the Lord our God is mighty and the battle is the Lord s rather than ours Charles Spurgeon GET MORE BOOKS AT REVIVALPRESS.NET

**An All-round Ministry** Charles Spurgeon, Revival Press, 2017-03-22 A Collection of his addresses to the Pastors College from 1872 to 1890 The object of our preaching as well as its doctrine is faith for we reckon that we have done nothing for sinners until by the power of the Holy Ghost we bring them to faith and we only reckon that our preaching is useful to saints as we see them increase in faith As faith is in our hand the power with which we sow and as

the seed we sow is received by us by faith and steeped in faith so the harvest for which we look is to see faith springing up in the furrows of men s hearts to the praise and glory of God CHARLES SPURGEON GET MORE BOOKS AT REVIVALPRESS
