How Handedness Shapes Lived Experience,

Intersectionality, and Inequality Peter Westmoreland,2023-03-13 This book delivers philosophy's first sustained examination of handedness being left handed right handed etc It engages literature from phenomenology and continental philosophy analytic philosophy laterality studies cognitive science and psychology gender studies and feminist philosophy sociology political science and more to provide a systematic accounting of the nature of handedness its basis in lived experience its effects on bodily performance its role in varieties of inequality and its part in oppression and liberation As a radical asymmetry in the body handedness plays a key role in human flourishing It informs both personal bodily movement and social life from handshakes and high fives to high tech tools made for one hand or the other Moreover with left handers making up just 10% of the population handedness presents a significant inequality in lived experience To live and live well we must understand handedness

God and Governing Roger N. Overton,2009-07-01 Abortion Poverty Pornography More than thirty years ago evangelical conservatives moderates and liberals alike began tackling these and other major social problems head on through concerted political effort The intervening decades witnessed the rise of groups such as the Moral Majority and the Christian Coalition which supported numerous politicians and religiously driven policies Why is it then that despite the seemingly great potential of these and other similar groups the same pervading social problems still persist How is it that evangelicals have been so ineffective at changing the political and social landscape of the United States in a positive way Based on a conference organized by Trinity Law School God and Governing brings together theologians politicians law professors and cultural critics in order to examine the root causes of evangelical political failure over the past thirty years With a Foreword by Charles Colson the additional contributors and the topic of their respective essays include David Wells Why Being Good is so Political Paul Marshall The Travails of Evangelical Politics Os Guinness The Golden Triangle of Freedom Patrick Nolan Lessons on Fleeing Temptations Vishal Mangalwadi The Future of Virtue and Statesmanship in Pagan American Dallas Willard The Failure of Evangelical Political Involvement Donald McConnell Practical Ways Forward Stephen
