## SERVICE MANUAL

### IMPORTANT NOTICE

This manual has been provided for the use of authorized YAMAHA Dealers and their service personnel. It has been assumed that basic service procedures inherent to the industry, and more specifically YAMAHA Products, are already known and understood by the reader, and have therefore not been repeated.

**WARNING:** Failure to follow appropriate service and safety procedures when servicing this product may result in personal injury, destruction of expensive components and failure of the product to perform as specified. For these reasons, we advise all YAMAHA product owners that all service required should be performed by an authorized YAMAHA Dealer or the appointed service representative.

**IMPORTANT:** The presentation or sale of this manual to any individual or firm does not constitute endorsement, authorization or recognition of any applicable technical experience, or establish a principle-agent relationship of any kind.

The data provided is believed to be accurate and applicable to the models indicated on the cover. The research, engineering, and service departments of YAMAHA are continuously striving to improve YAMAHA products. Modifications are, therefore, inevitable and specifications are subject to change without notice or obligation to readers. Should any discrepancy appear in text, please consult the manufacturer's Service Division.

**WARNING:** Static discharge can destroy expensive components. Discharge any static electricity your body may have accumulated by grounding yourself to the ground line in the unit (heavy ground black wire connects to this point).

**IMPORTANT:** Turn the unit OFF during disassembly and parts replacement. Recheck all work before you apply power to the unit.
