more prevalent goal is to expose you to not only the intellectual aspects of choosing a partner but more importantly the rich foundations of God's great idea of living as a couple and building a strong Godly family in this day and age I hope and pray that as time goes on many others will take a foundational course similar to the one offered here These Preparing for Partnership Manuals have been specially designed as a basis for discussing relational controversies within a safe context This Family Life Manual discusses the important topic of choosing a partner and having a stable family foundation Overall this content is designed very broadly and informally so that you no matter your positioning in life can feel comfortable to discuss your own ideas with others and then compare them with the contents of the course There is a Facilitator's Manual that can be purchased to enable church leaders pastors and teachers to facilitate group sessions that follow the content of this manual If you are interested then please visit the website to find out more Good luck and may God bless your work for His Kingdom Yours in Christ Christian P lchen Author
