**For Love of Country** Tulsi Gabbard,2024-04-30 4 on the New York Times bestseller list Tulsi Gabbard was the rising star of the Democrat Party But the growing wokeness fomenting racism and intolerance were more than she could stomach and she left This is her story and a call to action to Americans who love our country and cherish peace and freedom Today s Democrat Party is controlled by an elitist cabal of warmongers driven by woke ideology and racializing everything They are a clear and present threat to the God given freedoms enshrined in the Constitution A soldier former member of Congress and a former presidential candidate Tulsi loves her country I answered the call to serve and swore an oath dedicating my life to supporting and defending the Constitution both in uniform and in public office I have always been an independent minded person but became a Democrat when I first ran for office because I saw a party that stood up for the little guy free speech and civil liberties That party is no more Today that party is unrecognizable undermining free speech antagonistic to people of faith

hostile to the police and law and order suspicious of law abiding Americans supporting open borders and using our national security apparatus to target political opponents Now an Independent Tulsi calls on those who love America to stand up for peace defend freedom and protect our democratic republic from those seeking to undermine it at every turn It s time to leave the Democrat Party behind     *Sports Pages of the Los Angeles Times* Bill Shirley,1983     *The Literary World* ,1888
