**The Lady Footballers** James Lee,2013-09-13 This book tells the story of the Lady Footballers It covers their 1895 and 1896 tours through the eyes of the largely unsympathetic British press It explains gender issues of the time and the financial problems that doomed this experiment Despite increasing opportunities in sport for British women during the late nineteenth century virtually every segment of society opposed the idea of women playing football In 1895 Nettie Honeyball and Florence Dixie formed the British Ladies Football Club BLFC intending to introduce the game to women and girls as a means of recreation and profit over 10 000 spectators crowded the football ground in London to watch the BLFC in its first match Nearly every London newspaper covered the event These women endured public ridicule They ignited the gender prejudice of the time and confronted it head on wearing men's kit and playing men's rules Football's mystique was that it was a manly sport for men thus these women footballers symbolized a paradox those playing well were gender freaks those not playing well proved it was a male game This book was published as a special issue of the International Journal of the History of Sport     [Nouns In the English Language: Types and Examples](#) Manik Joshi,2020-09-14 This Book Covers The Following Topics I What are Nouns II Types of Nouns A Proper Noun B Common Noun C Collective Noun D Material Noun E Abstract Noun F Concrete Noun G Compound Noun H 1 Countable Noun Singular Noun H 2 Countable Noun Plural Noun I Uncountable or Mass Noun J Possessive Noun III A Countable Uncountable
