Springy Things:

Luschiim's Plants Luschiim Arvid Charlie, 2021-08-13 Respected Cowichan Tribe Elder and botanical expert Luschiim Arvid Charlie began his education in early childhood learning from his great grandparents and others of their generation. Luschiim's Plants represents his dedication to the survival of the Hul'q'umi'num language and traditional knowledge of plants for future generations. From the healing properties of qaanlhp arbutus to the many practical applications of q'am bull kelp, the information presented in this remarkable guide shares knowledge of plants that Luschiim is familiar with through his own Elders' teachings and by way of direct experience over the course of his lifetime and compiled from field outings and interviews with notable ethnobiologist and botanist Nancy Turner. In this unprecedented collection of botanical information, over 140 plants are categorized within their broad botanical groupings: algae and seaweeds, lichens, fungi, and mushrooms, mosses and liverworts, ferns and fern allies, coniferous trees, deciduous trees, shrubs and vines, and herbaceous flowering plants. Each entry is illustrated with a colour photo and includes the plant's common scientific and Hul'q'umi'num names, a short description, where to find it, and cultural knowledge related to the plant. Additional notes encompass plant use, safety, and conservation, the linguistic writing system used for Hul'q'umi'num plant names, as well as miscellaneous notes from interviews with Luschiim. This volume is an important addition to the bookshelves of botanists and will fascinate anyone with an interest in plants of the West Coast and their traditional uses by Coast Salish peoples. The Crucible of the Dragon God Mike Wild, 2009-06-15 Is this what happened to the Old Races? My Gods is this how they died? Hordes of a deadly and unknown species of predator swarm across Twilight, killing and destroying everything in their path. Where have they come from? Is there a connection with the Final Faith airship in the Drakengrat Mountains? What was the mistake? Exactly what are the k'nid and how can they be stopped? New questions for Kali Hooper and her friends to answer, but doing so will prove far from easy. From a labyrinthine dwarven deathtrap to a besieged and battle-torn city, a haunted ancient limbo at the end of time, and the aquatic lair of a vast serpent, Kali must battle her way to a place in the clouds that legend calls the Crucible of the Dragon God. There she must confront the past itself for the Crucible holds a secret kept even from the Old Races, a secret so staggering that Kali is about to discover the true reason her world is called Twilight.
