Spurgeon On Leadership Key Insights For Christian Leaders From The Prince Of Preachers:

Spurgeon on Leadership Larry J. Michael, 2003 Foreword by Lewis A Drummond I highly recommend this book to all serious students of leadership John C Maxwell Founder of the INJOY Group **The Pastor's Library** Robert A. Yost, 2017-09-21 In the spirit of Cyril Barber's classic work from the 1970s *The Minister's Library* Robert Yost provides students and pastors with expert guidance on building a working ministerial library From Old and New Testament languages lexical aids and grammatical tools to commentaries and theologies as well as pastoral resources Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses Far more than just a guide to commentaries as are so many works today this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies *The Leadership Imperative* Scott D. Liebhauser, 2018-01-22 The topic of leadership is ubiquitous in today's era of experts scholars and gurus With a host of voices promoting a myriad of views on this topic it is hard for one to determine who or what is correct This book gets to the heart of the issue by providing an unashamed and historic basis for leading others using biblical truth as the standard The postmodern epoch is fraught with confusion relativity and chaos as basic terms are redefined historic truths are maligned and cultural mores are upended Consequently leaders in this time are often just as confused as their followers who are leaving a trail of destruction in their wake Fortunately there are answers for those seeking to lead with confidence based on something much grander than personal opinion or subjective reasoning In this work Dr Liebhauser explains the pitfalls leaders face in these fluid times of resistance to anything authoritative while providing sound principles by which to effectively lead The reader will appreciate learning about the historical dynamic which fueled postmodern thinking and find hope in the time tested remedies this book provides **Management Essentials for Christian Ministries** Michael Anthony, James R. Estep, 2005-03-01 Contributors represent a diverse denominational cross section and include Dennis Williams Gary Bredfelt Gordon Coulter Michael J Anthony James Estep Jr Jane Carr Mark Henze Mark Simpson Michelle Anthony Richard Leyda and Tony Buchanaan **High on God** James K. Wellman, Katie Corcoran, Kate Stockly, 2020 *High on God* offers a fascinating study of the rise of megachurches and the reasons that these churches have conquered the American church market The authors reveal the emotional and social dynamics that pull thousands of people into megachurches and keep them there *Spiritual Formation* Corneliu C. Simu, 2022-04-26 This book is a multichapter introduction to spiritual formation within the Christian tradition Corneliu C Simu discusses spiritual formation from the views of several Christian thinkers with a chapter devoted to each thinker The concluding chapter notes common themes shared by each thinker The author presents some key Patristic Medieval Early Modern Modern and Contemporary theologians in a way that is characterized by brevity concision and clarity Thus this small book is a useful introduction to spiritual formation from a Christian perspective It would be helpful for a college student or young adult who seeks to be educated on the subject The

conciseness of the book is a benefit Yet the book raises interesting questions for further pursuit A very succinct but comprehensive historical presentation of sanctification through the lens of spiritual formation a concept which has been revived in the past two decades especially in Evangelical circles this text is useful for a college course in spiritual formation or religion **American Book Publishing Record** ,2003 **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004 **C.H. Spurgeon on Spiritual Leadership** Steve Miller,2008-09-01 C H Spurgeon s passion for raising up future spiritual leaders marked his ministry Drawing on the strategies of this tremendous man of God Steve Miller presents C H Spurgeon on Spiritual Leadership for leaders interested in understanding the role of faith and conviction in forming a philosophy of spiritual leadership Miller highlights the qualities Spurgeon viewed as indispensable to servant hearted leadership Here is a comprehensive guide for the church providing help in developing leaders for today and tomorrow The Christian Union ,1886 **The Watchman-examiner** ,1949 *The Christian Advocate* ,1931 *Christianity Today* ,1969 A fortnightly magazine of evangelical conviction *Outlook* Alfred Emanuel Smith,Francis Walton,1886 *The Congregationalist* ,1913 The Standard ,1903 *Paperbound Books in Print* ,1992 *Christian Advocate* - ,1938
