

# PRAGMATIC IDEALISM

*Critical Essays on  
Nicholas Rescher's System of  
Pragmatic Idealism*

Edited by

Arvid Wännebladh  
and Michael Quante

# System Of Pragmatic Idealism

**Sami Pihlström**

## **System Of Pragmatic Idealism:**

**A System of Pragmatic Idealism, Volume III** Nicholas Rescher, 2014-07-14 This is the third and final volume of A System of Pragmatic Idealism a series that will synthesize the life's work of the philosopher Nicholas Rescher. Rescher's numerous books and articles which address almost every major philosophical topic reflect a unified approach: the combination of pragmatism and idealism characteristic of his thinking throughout his career. The three related but independently readable books of the series present Rescher's system as a whole. In combining leading ideas of European continental idealism and American pragmatism in a new way, Rescher has created an integrated philosophical position in which the central concepts of these two traditions become a coherent totality. The initial volume in the series was dedicated to epistemology, the philosophy of science, and the philosophy of nature, while the second dealt with issues of value theory, ethics, and practical philosophy. In Volume III, Rescher examines the nature of philosophical inquiry itself, seeking to affirm the classical conception of philosophy as a significant problem-solving enterprise that draws on the whole range of human experience to attempt to resolve the big questions. Originally published in 1994, The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Pragmatic Idealism Axel Wüsthube, Michael Quante, 1998 From the contents: Moral facts and objective values, Timo Airaksinen, Values and reasons, Leonardo Rodríguez Dupla, Rescher on evolution and the intelligibility of nature, George Gale, The nature of philosophy, John Kekes, Individual and other person morality, a plea for an emotional response to ethical problems, Peter Machamer, Was Spinoza a person, Raymond Martin.

**A System of Pragmatic Idealism, Volume II** Nicholas Rescher, 2014-07-14 This is the second of the three volumes of A System of Pragmatic Idealism, a series that will synthesize the life's work of the philosopher Nicholas Rescher. Rescher's numerous books and articles which address almost every major philosophical topic reflect a unified approach: the combination of pragmatism and idealism characteristic of his thinking throughout his career. The three related but independently readable books of the series present Rescher's system as a whole. In combining leading ideas of European continental idealism and American pragmatism in a new way, Rescher has created an integrated philosophical position in which the central concepts of these two traditions become a coherent totality. The initial volume in the series was dedicated to epistemology, the philosophy of science, and the philosophy of nature. In *The Validity of Values*, Rescher sets out a normative theory of rationality. Looking at issues of value theory, ethics, and practical philosophy, this second volume of the trilogy has as its theme the utility of values for a proper understanding of ourselves and the world we live in. Rescher's key thesis, which is argued from various angles and points of departure, is that rationality as

such and in general is bound up with the theory and practice of rational evaluation The third volume of the series will deal with the nature of philosophical inquiry itself Originally published in 1993 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *A System of Pragmatic Idealism* Nicholas Rescher,1992 *A System of Pragmatic Idealism: Human knowledge in idealistic perspective* Nicholas Rescher,1992-01 *A System of Pragmatic Idealism: Metaphilosophical inquiries* Nicholas Rescher,1992

**Pragmatic Idealism and Scientific Prediction** Amanda Guillán,2017-08-30 This monograph analyzes Nicholas Rescher's system of pragmatic idealism It also looks at his approach to prediction in science Coverage highlights a prominent contribution to a central topic in the philosophy and methodology of science The author offers a full characterization of Rescher's system of philosophy She presents readers with a comprehensive philosophico methodological analysis of this important work Her research takes into account different thematic realms semantic logical epistemological methodological ontological axiological and ethical The book features three thematic parts I General Coordinates Semantic Features and Logical Components of Scientific Prediction II Predictive Knowledge and Predictive Processes in Rescher's Methodological Pragmatism and III From Reality to Values Ontological Features Axiological Elements and Ethical Aspects of Scientific Prediction This insightful analysis offers a critical reconstruction of Rescher's philosophy The system he created is often characterized as pragmatic idealism that is open to some realist elements He is a prominent representative of contemporary pragmatism who has made a great deal of contributions to the study of this topic This area is crucial for science and it has been little considered in the philosophy of science **A System of Pragmatic Idealism: The validity of values ; a normative theory of evaluative rationality** Nicholas Rescher,1992 **A System of Pragmatic Idealism: The validity of values** Nicholas Rescher,1992 **Rescher on Rationality, Values, and Social Responsibility** Nicholas J.

Moutafakis,2013-05-02 Nicholas Rescher stands as a major figure in American Philosophy today His philosophical contribution ranging over fifty years is marked by a profound respect for the fate of the human condition in a world of unparalleled scientific and technological innovation This work brings under the centrally unifying theme of rationality some of the issues on values and personal responsibility he has addressed during his long and distinguished career The book is intended to illustrate the synthesis of Rescher's thinking relative to these ideas as expounded upon for many decades

**New Approaches to Scientific Realism** Wenceslao J. Gonzalez,2020-08-24 Scientific realism is at the core of the contemporary philosophical debate on science This book analyzes new versions of scientific realism It makes explicit the advantages of scientific realism over alternatives and antagonists contributes to deciding which of the new approaches better

meets the descriptive and the prescriptive criteria and expands the philosophico methodological field to take in new topics and disciplines

**Biographical Dictionary of Twentieth-Century Philosophers** Stuart Brown, Diane Collinson, Robert Wilkinson, 2012-09-10 This Biographical Dictionary provides detailed accounts of the lives works influence and reception of thinkers from all the major philosophical schools and traditions of the twentieth century This unique volume covers the lives and careers of thinkers from all areas of philosophy from analytic philosophy to Zen and from formal logic to aesthetics All the major figures of philosophy such as Nietzsche Wittgenstein and Russell are examined and analysed The scope of the work is not merely restricted to the major figures in western philosophy but also covers in depth a significant number of thinkers from the near and far east and from the non European Hispanic language communities The Biographical Dictionary also includes a number of general entries dealing with important schools of philosophy such as the Vienna Circle or currents of thought such as vitalism These allow the reader to set the individual biographies in the context of the philosophical history of the period With entries written by over 100 leading philosophy scholars the Biographical Dictionary is the most comprehensive survey of twentieth century thinkers to date

**Structure** The book is structured alphabetically by philosopher Each entry is identically structured for ease of access and covers nationality dates and places of birth and death philosophical style or school areas of interest higher education significant influences main appointments main publications secondary literature account of intellectual development and main ideas critical reception and impact At the end of the book a glossary gives accounts of the schools movements and traditions to which these philosophers belonged and thorough indexes enable the reader to access the information in several ways by nationality by major areas of contribution to philosophy e g aesthetics by major influences on the thinker concerned e g Plato Kant Wittgenstein

*Pragmatism and Philosophical Anthropology* Sami Pihlström, 1998 Pragmatism the single originally American philosophical tradition has in recent decades once again become widely discussed in many fields of philosophy including metaphysics epistemology philosophy of science philosophy of religion and moral philosophy This study seeks to show both historically and systematically that the issue of human nature the main problem of philosophical anthropology is or at least should be at the center of pragmatistic philosophizing The author formulates a contemporary version of pragmatism largely based on William James s 1842 1910 work arguing that such a neo Jamesian framework also can meet postmodernistic and irrationalistic threats

*Structuring the World* Sami Pihlström, 1996

*Idealism and Praxis* Michele Marsonet, 2008 This work presents a complete and informative overview of Nicholas Rescher's philosophy A prominent representative of contemporary pragmatism and of the twentieth century's intellectual history Rescher has written an impressive amount of volumes and essays on a wide variety of philosophical topics The present book attempts to make his theses and theories accessible in one single volume Moreover it provides an apparatus of references to the relevant literature produced by Rescher's critics and positions his work in the wider setting of its links with various contemporary American and European philosophers The mixture of pragmatism and idealism typical of

Rescher's stance is carefully taken into account along with his contributions to logic philosophy of science metaphysics theory of knowledge ethics social and political philosophy      **Pragmatism and Idealism** James Bissett Pratt, John Thomas Driscoll, Albert Schinz, William Caldwell, 2001      **The Primacy of Practical Reason** Michele Marsonet, 1996 This book presents in one single volume the first cogent overview of Nicholas Rescher's position in theoretical philosophy Marsonet's wide ranging knowledge of American philosophy enables him to position Rescher's work in the wider setting of its relationships with various contemporary American and European thinkers He provides comparisons between Rescher's stance and the positions endorsed by philosophers like Quine Sellars Popper Davidson Rorty Rawls and Habermas The main goal of the book is to show that Rescher's system provides an interesting way out from the crisis of analytic philosophy by dealing in particular with his rediscovery of the American pragmatist tradition Marsonet traces the development in Rescher's speculative evolution focusing on the importance of the growth of pragmatist elements This book serves as an excellent introduction to Rescher's philosophy and will give readers a schematic yet comprehensive account of his views on various philosophical topics including epistemology metaphysics philosophical logic philosophy of science philosophy of language and social and political philosophy      **Brinkman's cumulatieve catalogus van boeken** , 1999 Voorts een alphabetische lijst van Nederlandsche boeken in België uitgegeven      **Brinkman's catalogus van boeken en tijdschriften** , 2001 With 1901 1910 1956 1960 Repertorium is bound Brinkman's Titel catalogus van de gedurende 1901 1910 1956 1960 Title varies slightly      **The Nation** , 1912

### **System Of Pragmatic Idealism Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free System Of Pragmatic Idealism PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while

accessing free System Of Pragmatic Idealism PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of System Of Pragmatic Idealism free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About System Of Pragmatic Idealism Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
