## **Tactical Problems:**

**Process and Problems in Developing NATO Tactical Air Doctrine** David J. Stein, Rand Corporation, 1988  
Understanding the interests and tactics of our allies is important to improving cooperation with the Tactical Air Working Party of NATO This Note examines the administrative processes and competing influences involved in negotiating statements of NATO s tactical air doctrine including the joint process for developing U S positions on NATO air doctrine and the combined process by which national proposals eventually emerge as formal NATO doctrine The Note reviews the air power interests of Great Britain and West Germany and their influence on the development of NATO air doctrine The authors make tentative suggestions for enhancing the U S position in negotiations over allied air power issues *Some Notes on the Solution of Tactical Problems* Harold Benjamin Fiske, 1916 Moltke's Tactical Problems From 1858 to 1882 (Classic Reprint) Helmuth Graf Von Moltke, 2018-02-02 Excerpt from Moltke s Tactical Problems From 1858 to 1882 LL soldiers must feel indebted to the Prussian Grand General Staff for the publication of field marshal von Moltke s Tactical Problems and to my former brother officer Major W Bigge of the Military History Department for the care with which they have been collected and edited I consider myself fortunate in being able by special permission of the General Staff to present this translation to the officers of the British Service It has been my aim to adhere closely to the original rather than to render it into elegant English which although it might have been more readable would have been a less exact and trustworthy guide for the student About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Soldiers and Scholars** Carol Reardon, 1990 The use and abuse of military history is the theme of this book The author scrutinizes the army s first systematic attempt to use military history to educate its future leaders and traces the army s struggle from the end of the Civil War to claim intellectual authority over the study of war **The Queen's Regulations and Orders for the Army, 1899** Great Britain. Sovereign (1837-1901 : Victoria), 1899 **Technical Problems of International Policing** Council on Foreign Relations, 1944 Colburn's United Service Magazine and Naval Military Journal , 1872 **Tactical Problems** J. Bürde, 1901 **Everybody's Magazine** , 1900 *Journal of the Military Service Institution of the United States* Military Service Institution of the United States, 1899 **House documents** , 1895 **Publications** United States. Adjutant-General's Office. Military Information Division, 1898 **Annual Report of the Secretary of the Navy** United States. Navy Department, 1895 The Reference Catalogue of Current Literature , 1910 *The Cambridge Review* , 1910 **Moltke's Tactical Problems from 1858-1882** Helmuth

Graf von Moltke, 2014      The Principles of Sanitary Tactics Edward Lyman Munson, 1917      **Some Notes on the Solution of Tactical Problems**, 2018-02-05 Excerpt from Some Notes on the Solution of Tactical Problems Departments of Military Art the Army Service Schools No amount of study of the theory alone of the art will by itself fit one to meet the emergencies of war with skill and certainty To acquire such not only must its principles be learned but the habit as well of their application to concrete cases must be established A man might read volumes on how to lay brick but he could hardly attain skill thereat until he has long experience in the actual handling of his trowel The military mind like the mason's hand requires practice in the use of its tactical tools to acquire dexterity We do not have to wait for war to present its vital problems in order to begin the training of our officers in applied tactics But the teaching of tactics in time of peace by application to concrete situations requires no defense To confound the critics of that system one need but to point to the German Army and to the map of Europe today About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      *Illustrated Naval and Military Magazine*, 1889      MacArthur's Airman Thomas E. Griffith, 1998 Thomas Griffith offers a critical assessment of George C Kenney's numerous contributions to MacArthur's war efforts He depicts Kenney as a staunch proponent of airpower's ability to shape the outcome of military engagement and a commander who shared MacArthur's strategic vision

Getting the books **Tactical Problems** now is not type of challenging means.
