scholars in constitutional law and politics it shows that the modern confirmation process continues to fill Court vacancies with jurists as capable as those of earlier eras We have now seen the longest period without a turnover on the Court since the early nineteenth century making inevitable the appointment of several new justices following the 2004 presidential election Thus the timing of the publication of Seeking Justices could not be more propitious **Freedom and the Court** Henry Julian Abraham, Barbara Ann Perry, 2003 Previous edition 6th published in 1994
