Tr The Last Romantic:

T.R. H. W. Brands, 2019-07-23 From the New York Times bestselling author an acclaimed biography of President Teddy Roosevelt Lauded as a rip roaring life Wall Street Journal TR is a magisterial biography of Theodore Roosevelt by bestselling author H W Brands In his time there was no more popular national figure than Roosevelt It was not just the energy he brought to every political office he held or his unshakable moral convictions that made him so popular or even his status as a bonafide war hero Most important Theodore Roosevelt was loved by the people because this scion of a privileged New York family loved America and Americans And yet according to Brands if we look at the private Roosevelt without blinders we see a man whose great public strengths hid enormous personal deficiencies he was uncompromising self involved and a highly imperfect brother husband and father Beautifully written and powerfully moved by its subject TR is the classic biography of one of America s greatest and most complex leaders *Six Frigates* Ian W. Toll, 2008-03-17 A fluent intelligent history give s the reader a feel for the human quirks and harsh demands of life at sea New York Times Book Review Before the ink was dry on the U S Constitution the establishment of a permanent military became the most divisive issue facing the new government The founders particularly Jefferson Madison and Adams debated fiercely Would a standing army be the thin end of dictatorship Would a navy protect from pirates or drain the treasury and provoke hostility Britain alone had hundreds of powerful warships From the decision to build six heavy frigates through the cliff hanger campaign against Tripoli to the war that shook the world in 1812 Ian W Toll tells this grand tale with the political insight of Founding Brothers and the narrative flair of Patrick O Brian **Bully Boy** Jim Powell, 2006-08-08 What Hath TR Wrought I don t think that any harm comes from the concentration of power in one man s hands Theodore Roosevelt The notion that Theodore Roosevelt was one of America s greatest presidents is literally carved in stone right up there on Mount Rushmore But as historian Jim Powell shows in the refreshingly original Bully Boy Roosevelt s toothy grin outsized personality colossal energy and fascinating life story have obscured what he actually did as president And what Roosevelt did severely damaged the United States Until now no historian has thoroughly rebutted the adulation so widely accorded to TR Powell digs beneath the surface to expose the harm Roosevelt did to the country in his own era More important he examines the lasting consequences of Roosevelt s actions the legacies of big government expanded presidential power and foreign interventionism that plague us today Bully Boy reveals How Roosevelt the celebrated trust buster actually promoted monopolies How this self proclaimed champion of conservation caused untold environmental destruction How TR expanded presidential power and brought us big government How he heralded in the era of government regulation handicapping employers destroying jobs and harming consumers How he established the dangerous precedent of pushing America into other people s wars even when our own national interests aren t at stake How this crusader for pure food launched loony campaigns against margarine corn syrup and Coca Cola How Roosevelt inspired the campaign to enact a federal income tax that was supposedly a tax on the rich but became a people s

The New Abolition Gary Dorrien, 2015-09-29 The black social gospel emerged from the trauma of Reconstruction to ask what a new abolition would require in American society It became an important tradition of religious thought and resistance helping to create an alternative public sphere of excluded voices and providing the intellectual underpinnings of the civil rights movement This tradition has been seriously overlooked despite its immense legacy In this groundbreaking work Gary Dorrien describes the early history of the black social gospel from its nineteenth century founding to its close association in the twentieth century with W E B Du Bois He offers a new perspective on modern Christianity and the civil rights era by delineating the tradition of social justice theology and activism that led to Martin Luther King Jr
