Rethinking Our Classrooms Wayne Au, Bill Bigelow, Stan Karp, 2007 Since the first edition was published in 1994 *Rethinking Our Classrooms* has sold over 180 000 copies **Rethinking Our Classrooms, Volume 1**, *The African-American Odyssey: Since 1865* Darlene Clark Hine, William C. Hine, Stanley Harrold, 2003 This book is the first comprehensive survey of the African American experience. It draws on recent research to present black history in a clear and direct manner within a broad social, cultural, and political framework. White supremacy, the Great Depression, the building of black community institutions, the equal rights movement, and African American military service. For anyone who is interested in an in-depth exploration of African American history as it relates to U.S. history *American Odyssey* Gary B. Nash, Hantula, 1999 Outline maps and ideas of how to use them to broaden classroom experiences *The African-American Odyssey Media Research Update* Board of Trustees Professor of African American Studies and Professor of History Darlene Clark Hine, Darlene Clark Hine, William C. Hine, Stanley Harrold, 2004-02 For one/two semester undergraduate courses in African American History, African American Studies, and United States History. The Media and Research update edition includes a new CD ROM bound into every book that includes over 150 primary source documents in African American history, each accompanied by essay questions. In addition, the CD ROM also contains media rich activities that explore key episodes and developments. Finally, free access to Research Navigator is included in the Evaluating Online resources booklet that is packaged with all new copies of the text. With it, students can access this powerful research tool with one site. Written by leading scholars, *The African American Odyssey* is a clear and comprehensive narrative of African American history from its African roots to the 21st century. This text places African American history at the center and in the context of American History *African-American Odyssey* Albert S. Broussard, 1998 This book illuminates the professional career and private lives of J. McCants Stewart, a Reconstruction era lawyer, minister, politician, and political activist, and his descendants over three generations, providing an epic account of an African American family in America. Adapted from book jacket.

American Odyssey Michel S. Laguerre, 1984 Caribbean immigrants have now become part of the social landscape of many American cities. Few studies, however, have treated in detail the process of their integration in American society. *American Odyssey* assesses the development and adaptation in both human and socio-economic terms of the Haitian immigrant community in three boroughs of New York City. An informed and well-rounded portrayal of a Caribbean community in New York, this book offers a fresh theoretical view of the structuring of urban ethnicity and provides the ethnographic background essential to understanding the problems of the Haitian population in the United States. *Mexican American Odyssey* Thomas H. Keneck, 2001 Keneck outlines a pattern of identity and assimilation that has been traced in bold, broader terms by other scholars who have called Tijerina's contemporaries the Mexican American Generation. **BOOK JACKET**

Paleoamerican Odyssey Kelly E. Graf, Caroline V. Ketron, Michael R. Waters, 2014 As research continues on the earliest migration of modern humans into North and South America the current state of knowledge about these first Americans is continually evolving. Especially with recent advances in human genomic studies both of living populations and ancient skeletal remains new light is being shed in the ongoing quest toward understanding the full complexity and timing of prehistoric migration patterns. *Paleoamerican Odyssey* collects thirty one studies presented at the 2013 conference by the same name hosted in Santa Fe New Mexico by the Center for the Study of the First Americans at Texas A M University. Providing an up to date view of the current state of knowledge in paleoamerican studies the research gathered in this volume presented by leaders in the field focuses especially on late Pleistocene Northeast Asia Beringia and North and South America as well as dispersal routes molecular genetics and Clovis and pre Clovis archaeology

Restructuring Schooling for

Individual Students William M. Bechtol, Juanita S. Sorenson, 1993 Current research in education reveals a system that consistently delivers disappointing results. Recent reforms developed in response to the Nation at Risk report have in many cases been so restrictive that they have actually aggravated the problem increasing retention and drop out rates and producing even more high school graduates who must take remedial courses in college. The authors of this timely book believe that one of the root causes of this educational decline is the failure of traditional methods and curricula to meet the needs of an increasingly diverse and multicultural school population. Their solution Restructure public schools to accommodate the variety of student learning aptitudes present in today s classroom and give students a greater opportunity to be successful. In these pages you ll find a number of ways to accomplish these goals. And you ll discover a variety of innovative programs that are succeeding in public schools right now including programs from eight model schools across the country that show many of these ideas in action. Throughout the book the authors focus on options for restructuring that are practical and inexpensive to implement in any school system. They present detailed descriptions of classroom strategies and curriculum approaches that will be helpful to pre service and in service teachers and to administrators interested in the many restructuring options available. Specific strategies for effective teaching are discussed including the direct teach method, mastery learning, cooperative learning, the whole language approach to teaching reading and writing and early intervention reading programs. The authors also present a completelearning how to learn curriculum that emphasizes process as well as content. Other important topics covered in depth include teaching and learning styles management and motivation, parent school community partnerships and staff development. A sample staff development sequence is included in Chapter 10.
