The Making Of Russia:

The Making of Modern Russia Lionel Kochan, Richard Abraham, 1983-03-31 A straightforward account of a complicated story a valuable introduction to the general reader *The Sunday Times* *The Making of Three Russian Revolutionaries* Ziva Galili y Garcia, Richard Wortman, 1987 This book presents the life histories of three prominent survivors of the Menshevik party Lydia Dan Boris Nicolaevsky and George Denike **Translation and the Making of Modern Russian Literature** Brian James Baer, 2015-11-19 Brian James Baer explores the central role played by translation in the construction of modern Russian literature Peter I s policy of forced Westernization resulted in translation becoming a widely discussed and highly visible practice in Russia a multi lingual empire with a polyglot elite Yet Russia s accumulation of cultural capital through translation occurred at a time when the Romantic obsession with originality was marginalizing translation as mere imitation The awareness on the part of Russian writers that their literature and by extension their cultural identity were born in translation produced a sustained and sophisticated critique of Romantic authorship and national identity that has long been obscured by the nationalist focus of traditional literary studies By offering a re reading of seminal works of the Russian literary canon that thematize translation alongside studies of the circulation and reception of specific translated texts *Translation and the Making of Modern Russian Literature* models the long overdue integration of translation into literary and cultural studies **The Making of Russia** Joan Hasler, 1971 **Making Russia and Turkey Great Again?** Norman A. Graham, Folke Lindahl, Timur Kocaoglu, 2021-03-19 This study analyzes theoretically and empirically the background of the rise to power of Vladimir Putin in Russia and Recep Tayyip Erdogan in Turkey It situates this analysis in the contexts of the historical assessment of the fragility of liberal democracy and the persistence and growth of authoritarianism populism and dictatorship in many parts of the world The authors argue that the question whether Putin and Erdogan can make Russia and Turkey great again is hard to confirm personal ambition for power and wealth is certainly key to an understanding of both rulers They each squandered opportunities to build from free and fair democratic electoral legitimacy and economic progress The prospect for restored national greatness depends on how they can handle the economic and political challenges they now face and will continue to face in the near future in a climate of global pandemic and economic recession Both rulers so far have succeeded in maintaining and increasing their powers and influence in their respective regions but neither has made real contributions to regional stability and order Chaos seems to be growing and the EU and the U S thus far seem unable to provide coherent responses to mitigate the impact of their adventurism and disruption *The Making of Russian History* John W. Steinberg, Rex A. Wade, 2009 *The Encyclopædia Britannica* Thomas Spencer Baynes, 1891 *Russia* Donald Mackenzie Wallace, 1877 *Eighteen Centuries of the Orthodox Greek Church* Alexander Hugh Hore, 1899 *The Earth and Its Inhabitants ...: Asiatic Russia: Caucasia, Aralo-Caspian basin, Siberia* Elisée Reclus, 1891 *A History of Russia* Bernard Pares, 1926 *Statistics of the American Iron Trade for 1898 & of the Foreign Iron Trade in 1898 & Immediately*
