

A movie poster for the film 'Inside Man'. The top half features large, close-up portraits of Michael Fassbender (left) and Denzel Washington (right) in profile, looking towards the right. They are both wearing dark suits. The title 'INSIDE MAN' is centered in a bold, white, distressed font. The bottom half shows a scene from the movie: a man in a light blue polo shirt (Jamie Foxx) stands in the foreground, holding a handgun. In the background, a man in a red shirt is working on the open trunk of a dark car on a city street at night. The Chrysler Building is visible in the distance under a cloudy sky.

## **The Man Inside:**

*The Man Inside* Graham Apthorpe, 2019-07-05 Graham Apthorpe's account of the Cowra outbreak is superb. Narrated in a fresh way in elegant and original prose and with a wonderful gift for taking the unexpected angle it does great service to this astonishing Australian Japanese event and will have a honoured place in the canon of fascinating works on the incident. Thomas Keneally *The War in the Pacific* has turned thousands of the previously invincible Japanese soldiers who are now being captured in New Guinea and interned at the Cowra Prisoner of War Camp. Unlike other POWs the traditional Japanese Bushido Code and their fanaticism leaves them ill equipped for surrender and imprisonment. Ashamed, subdued and sullen, one man, Second Lieutenant Maseo Naka, is an exception. Obstructing the Australian authorities at every turn, he was the first Japanese soldier to escape from Cowra. This action becomes the precursor for the more than 1000 Japanese prisoners who escape in the bloodiest Breakout of World War II that ultimately saw 234 Japanese and four Australian guards killed. His escape and the defiance, guilt and shame that motivated it led to his court martial. Naka nevertheless stands out as very human, another tragic victim of the global inferno that was World War II. Adhering to the Samurai Code of Bushido, he doggedly undertakes actions that he views as necessary for the maintenance of his honour. Through the insights of those around Naka, together with new research including the personal accounts of Australian interrogators, the author shows how this handsome loner provided the impetus for the dramatic events in the early hours of August 5, 1944, where hundreds of Japanese soldiers stormed the Camp defences for honour or death.

**The Men Inside** George Phillipos, 2005 A brilliant collection of short stories woven out of the author's association with the seas as a marine engineer. Exquisitely narrated, the author is able to transport the reader into the deep seas with his characters. Through the tapestry of his narration, Phillipos is able to delineate the stories of ordinary human beings and their ordinary human emotions on one hand, while on the other, he dabbles with the realm of the unreal, paranormal. Anecdotal and churned out of his personal memory, this collection is simply unputdownable.

*The Man Within the Temple (The Golden Mage Book Two)* C.G. Garcia, 2015-09-05 Depressed and overwhelmed by learning the true meaning of her destiny as the Golden Mage, as well as the major part she along with Aidric Keldan and Aren will play as foretold within the Prophecy of the Six, Allison despairs of ever picking up the pieces of her shattered life. Then, to add insult to injury, the Temple of Seni sends representatives to Lamia to collect her in order that she may swear oaths to Seni as is required by divine law. The party is led by Eban, a Domnae full of an infinite amount of ambition and utterly despised by Aidric for reasons he refuses to confide to anyone. However, though suspicious of his motives, Eban is the least of her worries as going to the Temple means leaving the protection of Lamia's Shield, with very little mage training under her belt, at a time when hostilities with Mihr are at their highest and rumors of a spy planted within the palace by Roderick have begun to arise. The wheels of fate are turning ever so quickly and Allison feels the threads of her life becoming helplessly and dangerously entangled within its spokes, even more so now as she is exposed to the politics of the Temple itself.
