

Child Marriage: Lesson Plan

Topic	
Child marriage refers to the formal marriage or informal coupling in which one or both of the people are under 18 years old. Overwhelmingly, the minor is a girl. Child marriage arises from gender inequity, poverty, social pressure, and insecurity. Furthermore, it restricts the possibilities and opportunities of women by interrupting their education, impeding their ability to seek paid employment, and increasing their chance of disease, injury, and death.
