When I was a child I was told of a place of beauty and magic fondly dubbed The Magic Forest It was full of an entirely colorful cast of characters fairies creatures animals events that shaped their lives and how they look out for us in the real world Not that the Magic Forest isn t real In fact the animals you see every day just may be one of the creatures of the forest keeping an eye on you Hence the squirrel in your backyard could be Ivan the seagull at the beach could be Larry the Laughing Gull I saw him once or twice myself and the crow could be O Malley and his gang but we will get into that later The magic is everywhere *The Magic Forest* Christopher Sandford,1931 *Protectors of the Magic Forest* Bucur Loredan,2024-09-27 In the heart of the world far from the prying eyes of men lay a legendary forest known only in the whispers of the wind and the songs of the birds This was the Magic Forest a land where every tree every flower and every animal carried a glimmer of magic Here the seasons passed in an enchanted dance and the trees told thousands of years old legends Over time the forest found its protectors in four devoted friends Selian the brave deer with horns like green branches Liora the fox quick and wise Argentiu the cheerful bunny and fast as the wind and Moco the wise parrot with brightly colored feathers These four formed a special group bound not only by friendship but also by the magic that lived in every corner of the forest Four protectors kept balance and harmony in the Magical Forest They had taken it upon themselves to watch over this enchanted realm knowing that dark forces and hidden dangers always lurked within its

borders With each passing season the forest told its stories and its protectors were always ready for the next adventure to protect their magical home This is their story of courage friendship and the spirit of sacrifice that shines in the darkness of the world Every day brought new challenges and Selian Liora Argintiu and Moco knew that the fate of the forest was in their own hands     *The Magic Forest* David H.
