## **The Magic Mountain:**

The Magic Mountain Thomas Mann,2023-12-17 The Magic Mountain German *Der Zauberberg* is a novel by Thomas Mann first published in German in November 1924 It is widely considered to be one of the most influential works of twentieth century German literature Mann started writing what was to become The Magic Mountain in 1912 It began as a much shorter narrative which revisited in a comic manner aspects of Death in Venice a novella that he was preparing for publication The newer work reflected his experiences and impressions during a period when his wife who was suffering from a lung complaint resided at Dr Friedrich Jessen's Waldsanatorium in Davos Switzerland for several months In May and June 1912 Mann visited her and became acquainted with the team of doctors and patients in this cosmopolitan institution According to Mann in the afterword that was later included in the English translation of his novel this stay inspired his opening chapter Arrival The outbreak of World War I interrupted his work on the book The savage conflict and its aftermath led the author to undertake a major re-examination of European bourgeois society He explored the sources of the destructiveness displayed by much of civilised humanity He was also drawn to speculate about more general questions related to personal attitudes to life health illness sexuality and mortality Given this Mann felt compelled to radically revise and expand the pre-war text before completing it in 1924 *Der Zauberberg* was eventually published in two volumes by S Fischer Verlag in Berlin The narrative opens in the decade before World War I It introduces the protagonist Hans Castorp the only child of a Hamburg merchant family Following the early death of his parents Castorp has been brought up by his grandfather and later by a maternal uncle named James Tienappel Castorp is in his early 20s about to take up a shipbuilding career in Hamburg his home town Before beginning work he undertakes a journey to visit his tubercular cousin Joachim Ziemssen who is seeking a cure in a sanatorium in Davos high up in the Swiss Alps In the opening chapter Castorp leaves his familiar life and obligations in what he later learns to call the flatlands to visit the rarefied mountain air and introspective small world of the sanatorium

The Magic Mountain Thomas Mann,2018-05-03 As Seen on BBC Between the Covers A brief visit to a Swiss sanatorium becomes a life-altering seven-year odyssey Hans Castorp arrives at a sanatorium in the Swiss Alps to visit his cousin, intending to stay for just three weeks. But when he falls ill, he remains and is drawn in by the introspection and erudition that define life in the mountains. As his stay extends to seven transformative years, Hans falls in love and becomes intoxicated with the ideas he hears at the clinic: ideas which will strain and crack apart in a world on the verge of the First World War. Magnificent, a beautiful feverish account of obsessive love.

The Magic Mountain Hermann J. Weigand,2020-05-01 Praised highly by Mann himself, Weigand's book, originally published in 1933, is an essential piece of criticism on Mann's monumental novel. In his study of *The Magic Mountain*, Weigand comments on the novel's genre and organization before dissecting the themes of disease and mysticism, Mann's use of irony, and other aspects of this masterpiece of German literature.
