MAN FROM BUTTON WILLOW

After the American Civil War, one of the major projects in the USA was to join the East and West with a great railroad – the greatest railroad the world had ever known. But a group of unscrupulous men bought up the land in the railroad's path and tried to sell it at fantastic prices. They were known as the 'Landgrabbers', and the Senate Investigators who were sent out to track them down rarely came back alive. It was Justin Eagle's secret mission to change all that.
