The Man Who Was Not With It:

The Man-Not Tommy J. Curry, 2017-07 The Before Columbus Foundation 2018 Winner of the AMERICAN BOOK AWARD
Tommy J Curry s provocative book *The Man Not* is a justification for Black Male Studies He posits that we should conceptualize the Black male as a victim oppressed by his sex *The Man Not* therefore is a corrective of sorts offering a concept of Black males that could challenge the existing accounts of Black men and boys desiring the power of white men who oppress them that has been proliferated throughout academic research across disciplines Curry argues that Black men struggle with death and suicide as well as abuse and rape and their genred existence deserves study and theorization This book offers intellectual historical sociological and psychological evidence that the analysis of patriarchy offered by mainstream feminism including Black feminism does not yet fully understand the role that homoeroticism sexual violence and vulnerability play in the deaths and lives of Black males Curry challenges how we think of and perceive the conditions that actually affect all Black males
