Wodehouse The stories in The Man With Two Left Feet are very unlike his usual style Most take place in New York one is told from the first person perspective of a woman and one is even told from the point of view of a dog However every one has the classic humor and expectedly unexpected happy ending that Wodehouse is known for and each is a delightful read As usual Wodehouse will keep you smiling throughout even with only a brief visit from our old friend Bertie Man with two left feet is a delightful book People have been raving about Wodehouse for a long time and if you have enjoyed watching Jeeves and Wooster this could well be your first venture beyond Jeeves This book is a compilation of fourteen short amusing and sometime poignant stories It is very easy reading BUT cleverly written A favorite in this book is actually not The Man with Two Left Feet but rather At Geisenheimers [The Man with Two Left Feet](#) P. G. Wodehouse, 2016-12-15 Students of the folklore of the United States of America are no doubt familiar with the quaint old story of Clarence MacFadden Clarence

MacFadden it seems was wishful to dance but his feet wasn't gaited that way So he sought a professor and asked him his price and said he was willing to pay The professor the legend goes on looked down with alarm at his feet and marked their enormous expanse and he tacked on a five to his regular price for teaching MacFadden to dance I have often been struck by the close similarity between the case of Clarence and that of Henry Wallace Mills One difference alone presents itself It would seem to have been mere vanity and ambition that stimulated the former whereas the motive force which drove Henry Mills to defy Nature and attempt dancing was the purer one of love He did it to please his wife Had he never gone to Ye Bonnie Briar Bush Farm that popular holiday resort and there met Minnie Hill he would doubtless have continued to spend in peaceful reading the hours not given over to work at the New York bank at which he was employed as paying cashier
