The Markoff Women:

The Markoff Women June Flaum Singer, 2014-04-21 In a shtetl in Imperial Russia we meet the first of the Markoff women beautiful rebellious red haired Eve As the new wife of David Markoff Eve confronts the tyranny of her father in law s household where women are treated as servants and men are treated as boys While the spirit of the revolution grows throughout Russia Eve sows seeds off freedom beneath her father in law s roof And as the lives of the Markoffs are increasingly threatened by Cossack flames the love between Eve and David is destined for betrayal The son born to Eve grows up to become a revolutionary forced to flee to America There he bitterly rejects his past and paves the way for his daughter s marriage into Russian aristocracy By the time Eve escapes to America the lies that divide the Markoff family have separated mother and son forever But the past must be given its due in a showdown that sets rage against love *The Markoff Women* June Flaum Singer, 1986 *Discrimination Against Women: July 1 and 31, 1970* United States. Congress. House. Committee on Education and Labor. Special Subcommittee on Education, 1971 **The Myth of Superwoman** Resa L. Dudovitz, 2019-10-01 Reviled by critics but loved by the readers the bestseller has until recently provoked little serious critical interest In *The Myth of Superwoman* originally published in 1990 Resa Dudovitz looks at this international phenomenon particularly at the origins of the bestseller system in the United States and France Her cross cultural study including interviews with publishers literary agents and bestselling authors gives a lively picture of the contrasting ways in which the bestseller is produced marketed and received in two countries It pays special attention to the international bestsellers of the 1980s to writers like Judith Krantz Colleen McCullough and Barbara Taylor Bradford all of whose novels are published in the United States Britain France Germany and Italy The book presents a general analysis of women s bestsellers ranging over a wide variety of novels from popular nineteenth century texts in France and the United States to the novels of today Dudovitz shows how women s bestselling fiction has over the last two hundred years kept pace with the social evolution of contemporary women culminating in the myth of superwoman in women s bestsellers of the 1980s This fascinating account of an important aspect of popular culture will be of great value to students of women s studies and cultural studies especially those interested in the myths which structure women s bestselling fiction Discrimination Against Women, Hearings Before the Special Subcommittee on Education...
