## **The Marmalade Man:**

The Marmalade Man Charlotte Vale Allen, 1984      **Dust Off the Gold Medal** Sara L. Schwebel, Jocelyn Van Tuyl, 2021-08-23 The oldest and most prestigious children's literature award the Newbery Medal has since 1922 been granted annually by the American Library Association to the children's book it deems most distinguished. Medal books enjoy an outsized influence on American children's literature figuring perennially on publishers' lists on library and bookstore shelves and in school curricula. As such they offer a compelling window into the history of US children's literature and publishing as well as into changing societal attitudes about which books are best for America's schoolchildren. Yet literary scholars have disproportionately ignored the Medal winners in their research. This volume provides a critically and historically grounded scholarly analysis of representative but understudied Newbery Medal books from the 1920s through the 2010s interrogating the disjunction between the books' omnipresence and influence on the one hand and the critical silence surrounding them on the other. *Dust Off the Gold Medal* makes a case for closing these scholarly gaps by revealing neglected texts, insights into the politics of children's literature, and by demonstrating how neglected titles illuminate critical debates currently central to the field of children's literature. In particular, the essays shed light on the hidden elements of diversity apparent in the neglected Newbery canon while illustrating how the books respond, sometimes in quite subtle ways, to contemporaneous concerns around race, class, gender, disability, nationalism, and globalism.      *A Visit to William Blake's Inn* Nancy Willard, 1981 A collection of poems describing the curious menagerie of guests who arrive at William Blake's inn.      **The Works of William Makepeace Thackeray: The Wolves and the Lamb. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
