## **The Man Of The World:**

A Man's World Steve Oney, 2019-05-15 A Man's World is a collection of twenty profiles of fascinating men by author and magazine writer Steve Oney. Oney realized early in his career that he was interested in how men face challenges and cope with success and failure seeing in their struggles something of his own. Written over a forty year period for publications including Esquire, Premiere, GQ, TIME, Los Angeles and the Atlanta Journal Constitution Magazine, the stories many prizewinning bring to life the famous Harrison Ford, the brilliant Robert Penn Warren, the tortured Gregg Allman and the unknown Chris Leon, a twenty year old Marine Corps corporal killed in the Iraq war.

**The God/Man/World Triangle** R. Crawford, 1997-10-06 Why is there a world? Does it reflect the presence of God in any way? Did the world spontaneously come into existence or is there a creator? How will it end? Does God Exist? Do religions give a coherent view of His existence and nature? Can we enter into relation with Him? Robert Crawford tries to answer these and other questions by arguing that religion and science complement one another and while they use different sources and methods, insights can be gleaned from both concerning our nature, the world, and God. Major attention is given to Christianity because modern science arose in that context, but the discussion includes the teachings of five other religions in the hope that we can also learn from them.
