The Manhattan Murders

Frederick Charles Brightly

The Manhattan Murders:

Everyday Murders Hugh Anthony Levine, 2009-08-07 Excerpt from Chapter One All Tanenbaum said was And then what happened Eddie He appeared to enter some weirdly hypnotic catatonic trance his already breathy voice became monotonous his eyes glazed over his face drained of expression and he went on and on and on She said Wait until your mother hears this this is going to break her heart And I said Please don t tell my mother Sherrald please don t tell my mother Sherrald please don t tell my mother And while Eddie Hurdle continued to mouth that refrain please don t tell my mother both of his hands gripped an imaginary knife and repeatedly metronomically plunged it down and raised it up and plunged it down and raised it up over and over and over again The three observers Davin Tanenbaum and the stenotypist sat in stunned silence as Eddie Hurdle reenacted his crime Other sins only speak murder shrieks out wrote playwright John Webster in 1623 and our fascination with murder and murder trials has continued unabated to the present Murder is after all the most dramatically unlawful thing a person can do to another It runs counter to the very fundamentals of human society breaching what social philosophers have termed the social contract Society speaks with its firmest voice in addressing the conduct of its members who kill another and murder prosecutions have the direst of consequences of any court proceeding as they may occasion the loss of a violator s liberty for life or even the loss of his or her life itself But most murder cases while fascinating in the motives or personalities of the killers or the circumstances of the killings and the ensuing trials receive little attention and recede into ordinariness Only rarely does a murder case become a cause c l bre notorious enough to capture wide attention the O J Simpson Scott Peterson Claus von B low type cases prove the exception rather than the rule For the most part the public s perception of garden variety murder trials quickly becomes only memory s ashes strewn sparsely on the fields of public awareness Brought to life by the prosecutor who tried the six everyday murders narrated here three in Manhattan and three in San Francisco these true stories prove redolent with drama encapsulating raw human emotions that often impel man to murder greed lust jealousy hatred as well as mere folly and actually are quite extraordinary in their own context Sit at the prosecution s table with masterful prosecutor Hugh Anthony Levine as he represents the People of the State of New York or the People of the State of California in the trials of some everyday murders

The Savage City T.J. English, 2011-04-07 It was a time of hope and desperation a time of reckoning In the early 1960s the Mad Men era a mood of menace gripped New York City The crime rate was growing and violence was becoming a daily reality for citizens in every neighbourhood At the centre of the unrest was a poisonous divide between two camps the deeply corrupt and racist police of the era and the African American community Then on 28 August 1963 the day on which Martin Luther King Jr stood on the steps of the Lincoln Memorial and declared I have a dream two young white women were murdered in their Manhattan apartment The killings struck fear through the city and ignited a ten year saga of racial violence and unrest An epic true life story of murder injustice and defiance The Savage City draws on interviews with participants and extensive research to tell the stories of

three very different New Yorkers an innocent man wrongly accused of murder a corrupt cop and a militant Black Panther and to explore this traumatic decade in the city's history **Convicted but Innocent** C. Ronald Huff, Arye Rattner, Edward Sagarin, 1996-01-23 This important book joining many others about the possibility and actuality of executing innocent persons examines the full range of potential and real cases in which innocent people are falsely accused convicted and incarcerated and describes the variety of missteps in our criminal justice system that lead to unjust imprisonment In six clearly written chapters the authors examine the reality of unjust incarceration The last chapter may be the most compelling the authors recommend how to reduce the number of errors in our criminal justice system For anyone concerned about justice highly recommended for public and university libraries Choice In this well researched and fascinating volume the authors mix materials from case files in the literature and reported in numerous research reports and in the media There is great reliance on research studies national and international on the accuracy of eyewitness perceptions Interviews with the exonerated and some of the actors in the system are included as are trial documents and court transcripts as well as media reports on the trials There is no other book on the guilty but innocent that has so broad a focus and so much rich detail It is a good read indeed from the Foreword by Simon Dinitz Professor Emeritus The Ohio State University Even if the American system of criminal justice proved 99.5% accurate it would still generate more than 10 000 wrongful convictions a year and those would reflect only the eight serious index crimes Each time an innocent offender is wrongfully convicted the actual offender remains free to continue victimizing Insightful and stimulating Convicted But Innocent grapples with the very specific difficult issues surrounding wrongful convictions and the implications for society Using fascinating case samples and survey data that reflect the possible magnitude of the problem the authors detail the major factors associated with this stunning potential for error in our criminal justice system Although no system of justice can be perfect this volume shows that a focus on preventable errors can substantially reduce the number of conviction injustices Committed to that end authors C. Ronald Huff, Arye Rattner and Edward Sagarin also examine public policy implications and recommendations for putting their findings to work Intriguing and about a problem that is frightening to contemplate Convicted But Innocent offers a stimulating read for students academics researchers law enforcement and corrections professionals and policy makers

[Informer: The History of American Crime and Law Enforcement - October 2020](#) Thomas Hunt, David Critchley, Steve Turner, Lennert van't Riet, Richard N. Warner, Justin Cascio, Sam Carlino, Michael O'Haire, Jon Black, Margaret Jancó, 2020-10-19 Issue focuses on Nicola Nick Gentile Mafia leader in U.S. and Sicily author of 1963 tell all autobiography Informer provides Gentile's entire life story building on original research by Mafia history experts balancing Gentile's self serving and self aggrandizing autobiographical work with verifiable history correcting misinformation and filling in wide gaps left in his personal account In addition to studying Gentile's life and career Informer provides biographical information for dozens of individuals who contributed in interesting ways to his life story Also in this issue 1900s Mafia feuds in Los Angeles
