come at the expense of others He sees that the journey itself is what mattered which was enabled by the love respect and sacrifice of his closest friends and family William finally realizes that it is they who are important not attaining a seemingly impossible goal He learns this lesson a little late in life but better learned than never understood One would think that the story ends here but no there s one last dangerous problem that must be dealt with Lt Cmdr Alfredo Astes Back in Ushuaia after the Horn William inadvertently encounters his antagonist Astes and a confrontation ensues but you must read the book to find out what happens Who will prevail and how The incredible natural beauty and majesty of Chile and Argentina set the backdrop and inspiration for this account of intrigue betrayal passion and the ultimate triumph of the human spirit **The**
