**Indirect Subjects** Matthew H. Brown, 2021-08-23 In *Indirect Subjects* Matthew H Brown analyzes the content of the prolific Nigerian film industry's mostly direct to video movies alongside local practices of production and circulation to show how screen media play spatial roles in global power relations. Scrutinizing the deep structural and aesthetic relationship between Nollywood as the industry is known and Nigerian state television, Brown tracks how several Nollywood films in ways similar to both state television programs and colonial cinema productions invite local spectators to experience liberal capitalism not only as a form of exploitation but as a set of expectations about the future. This mode of address which Brown refers to as periliberalism sustains global power imbalances by locating viewers within liberalism but distancing them from its processes and benefits. Locating the wellspring of this hypocrisy in the British Empire's practice of indirect rule, Brown contends that culture industries like Nollywood can sustain capitalism by isolating ordinary African people whose labor and consumption fuel it from its exclusive privileges.

**The Vendetta Trifecta - The Complete Series: An Action-Packed Crime Thriller Series** A.J. Scudiere, 2016-09-20 With single minded determination eleven year old Cynthia Beller stands up amid the wreckage of the mafia hit that destroys her family. It's the first step of a journey that will both drive her and haunt her for as long as she lives. Readers say A.J. Scudiere's start to this award winning trilogy is seriously one of the best action suspense books I've ever read. All Cyn wants is justice. Kolya Kurev murdered her family in cold blood and got away with it. Single minded in her determination Cyn becomes the killer she needs to be. Until she meets Lee, a man also deeply wronged by Kurev. Cyn's new problem: Lee is stealing her revenge and screwing with the carefully carved life she's made for herself. As if his mere presence and counter productive ambitions weren't enough, he's going to get her caught. The FBI has been on her tail for several years now but they haven't even come close to finding her. Cyn has been leaving fake evidence at her crime scenes and counting on the one thing the FBI hasn't figured out yet: Their most wanted criminal is just a girl. Right and wrong have long since been obliterated. And one of Lee's kidnappers looks far too familiar. Someone Sin is convinced should be long dead. The ties between families and enemies have become intricately tangled. To save Lee, Sin will have to bend and break bonds she didn't even know existed. She'll have to do it all while protecting a new secret. Thriller and action readers will find themselves immersed in *The Vendetta Trifecta*. It's unputdownable suspense from a USA Today Bestselling author.

**Fic** Anne Jamison, 2013-11-26 What is fanfiction and what is it not? Why does fanfiction matter? And what makes it so important to the future of literature? *Fic* is a groundbreaking exploration of the history and culture of fan writing and what it means for the way we think about reading, writing, and authorship. It's a story about literature, community, and technology about what stories are being told, who's telling them, how, and why. With provocative discussions from both professional and fan writers on subjects from *Star Trek* to *The X-Files* and *Buffy the Vampire Slayer* to *Harry Potter*, *Twilight*, and beyond, *Fic* sheds light on the widely misunderstood world of fanfiction, not only how fanfiction is transforming the literary landscape.
