Development, 1982 **Compendium of Research Reports**, 1981 **Congressional Record** United States.

Congress, 1981 **A Guide for Exploratory Work in the Kansas Program for Improvement of Instruction** Kansas.

Department of Education, 1937 *Cases and Materials on Land Use* David L. Callies, Robert H. Freilich, Thomas E.

Roberts, 1999 *The Carter Presidency* Gary M. Fink, Hugh Davis Graham, 1998 After the Nixon and Ford administrations

liberal Democrats hoped Jimmy Carter's election in 1976 would restore the New Deal agenda in the White House Instead

during four tumultuous years in office Carter endorsed many of the fiscal and economic policies later espoused by his Republican successor Ronald Reagan But Carter also backed most New Deal social programs and however reluctantly pursued a traditional containment foreign policy In this book more than a dozen eminent scholars provide a balanced

overview of key elements of Carter's presidency examining the significance of his administration within the context of evolving American policy choices after World War II They seek not only to understand the troubled Carter presidency but

also to identify the changes that precipitated and accompanied the demise of the New Deal order By the time Carter took office many Americans had become disenchanted with big government and welfare spending and his presidency is viewed in

these pages as a transitional administration As this volume demonstrates Carter's dilemma emerged from his effort to steer a course between traditional expectations of federal government and new political and economic realities While most of the

contributors agree that his administration may be justly criticized for failing to find that course they generally conclude that Carter was more successful than his critics acknowledge These thirteen original essays cover such topics as the economy

trade and industrial policies welfare reform energy environment civil rights feminism and foreign policy They offer thoughtful

assessments of Carter's performance focusing on policy both as cause and effect of the post industrial transformation of

American society that shadowed his administration A final essay shows how Carter's public spirited post presidential career

has made him one of America's greatest ex presidents Grounded on research conducted at the Carter Library The Carter

Presidency is an incisive reassessment of an isolated Democratic administration from the vantage point of twenty years It is a milestone in the historical appraisal of that administration inviting us to take a new look at Jimmy Carter and see what his presidency represented for a dramatically changing America **American Housing, a Macro View** Ko Ching Shih,1990

FDR and Reagan John W. Sloan,2008 A sharp analysis of the similarities differences and impact of the presidencies of Franklin Roosevelt and Ronald Reagan two iconic figures representing polar opposites of twentieth century American politics
