**Supplemental Nights, to the Book of the Thousand and One Nights** Sir Richard Francis Burton,1900      Arabian Nights, in 16 volumes ,2008-12-01 Notorious for the delight he took in tweaking the sexual taboos of the Victorian age as well as the delight he took in the resulting shock of his bashful peers British adventurer linguist and author CAPTAIN SIR RICHARD FRANCIS BURTON 1821 1890 is perhaps best remembered for his unexpurgated translation of the Eastern classic The One Thousand and One Nights more famously known today as The Arabian Nights Originating in Persian Indian and Arabic sources as far back as the ninth century AD this collection of bawdy tales which Burton was the first to bring to English readers in uncensored form has exerted incalculable influence on modern literature It represents one of the earliest examples of a framing story as young Shahrazad under threat of execution by the King postpones her death by regaling him with these wildly entertaining stories over the course of 1 001 nights The stories themselves feature early instances of sexual humor satire and parody murder mystery horror and even science fiction Burton s annotated 16 volume collection as infamous as it is important was first published between 1885 and 1888 and remains an entertainingly naughty read Volume XVI the sixth and final volume of Burton s Supplemental Nights includes The History of Al Bundukani or the Caliph Harun Al Rashid and the Daughter of King Kisra The Linguist Dame The Duenna and the King s Son The Tale of the Warlock and the Young Cook of Baghdad The Pleasant History of the Cock and the Fox appendices notes and indexes and more      *The Complete Works of Sir Richard Francis Burton (Illustrated & Annotated Edition)* Richard Francis Burton,2023-12-12 In The Complete Works of Sir Richard Francis Burton Illustrated they remain timeless explorations of the human condition making this collection an invaluable resource for scholars and casual readers alike      **The Complete Works of Richard Burton** Richard Francis Burton,2022-12-10 The Complete Works of Richard Burton presents a remarkable collection that encapsulates the multifaceted genius of one of the Victorian era s most intriguing figures Spanning travel writing poetry translation and ethnography Burton s literary style is characterized by vivid prose keen observation and an unflinching exploration of diverse cultures The anthology situates Burton within the context of 19th century colonial discourse revealing

his complex relationship with the then emerging field of anthropology and the intricacies of cultural representation His narratives are often laced with personal anecdotes transporting readers to distant lands while his pioneering translations most notably of The Arabian Nights showcase his linguistic prowess and deep appreciation for the literatures of the East Richard Francis Burton was a British explorer soldier and linguist whose life was marked by extensive travels across Africa the Middle East and beyond His insatiable curiosity and audacity often pushed social boundaries leading him to delve into the unknown which in turn shaped his literary output His experiences of cultural immersion and his often controversial perspectives on colonialism provide a rich backdrop for the themes explored in this comprehensive collection Readers seeking an expansive look into the mind of a true Renaissance man and an exploration of the complex dynamics of culture and identity will find The Complete Works of Richard Burton indispensable His writings invite contemplation and challenge readers to engage with the rich tapestry of human experience through a lens that is as enlightening as it is provocative

Partridge,1899      **The Highly Civilized Man** Dane Kennedy,2009-06-30 Though best remembered as an adventurer who entered Mecca in disguise and sought the source of the White Nile Richard Burton contributed so forcefully to his generation that he provides us with a singularly panoramic perspective on the world of the Victorians Engagingly written and vigorously argued this book is an important contribution to our understanding of a remarkable man and a crucial era      **Book-prices Current** ,1947      **Supplemental Nights to the Book of the Thousand Nights and a Night** Richard F. Burton,2021-05-24 Supplemental Nights to the Book of the Thousand Nights and a Night Volume 3 is an unchanged high quality reprint of the original edition of 1887 Hansebooks is editor of the literature on different topic areas such as research and science travel and expeditions cooking and nutrition medicine and other genres As a publisher we focus on the preservation of historical literature Many works of historical writers and scientists are available today as antiques only Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future      **Marvellous Thieves** Paulo Lemos Horta,2017-01-16 A fascinating work of cultural and literary history An insightful examination of the Arabian Nights and the fraught complexities of translation Kirkus Reviews Although many of its stories originated centuries ago in the Middle East the Arabian Nights is regarded as a classic of world literature by virtue of the seminal French and English translations produced in the eighteenth and nineteenth centuries Supporting the suspicion that the story collection is more Parisian than Persian some of its most famous tales including the stories of Aladdin and Ali Baba appear nowhere in the

original sources Yet as befits a world where magic lamps may conceal a jinni and fabulous treasures lie just beyond secret doors the truth of the Arabian Nights is richer than standard criticism suggests Marvellous Thieves which draws on hitherto neglected sources is a brilliant fluent and original work of literary scholarship Robert Irwin Literary Review This fine book cogently probes an influential period in the knotted and at times sordid history of the Arabian Nights serving as a fine example to those unraveling this promiscuous and forever malleable set of stories Charles Shafaieh Wall Street Journal Intelligent and engrossing The great merit of Horta s book is that its interest always lies in the story of the story in mapping out the complex network of the translators editors and travellers behind the Arabian Nights in ways that enrich our sense of this remarkable text Shahidha Bari Times Higher Education      *The academy* ,1888      **Publishers' circular and booksellers' record** ,1890      *Publishers' Circular and Booksellers' Record of British and Foreign Literature* ,1895
