Surfing The Himalayas:

Surfing the Himalayas Frederick Lenz, The Fredeick Lenz Foundation for American Buddhism, 2007-01-01 This is the engaging story of a young American snowboarder who travels to the Himalayas seeking the ultimate high but surfs into an experience more transcendent than he could have ever imagined. In an accident of karmic destiny the young man plows into a wizened Buddhist monk named Master Fwap who takes him on as a spiritual apprentice. Using snowboarding as a path to enlightenment the charming and learned Master Fwap shows how by freeing the mind and challenging the soul one can master any mountain and master oneself. The following account of my Himalayan adventures is based on a series of experiences that occurred to me some time ago in Nepal. I have taken the liberty of transforming these accounts even though they are based upon real life experiences into a work of fiction. I hope that the internal and external experiences presented in the following pages both entertain and enlighten you. Frederick Lenz Surfing the Himalayas 3 LENZ., 2010-12
