**The History of an Expedition Against Fort Du Quesne, in 1755** Winthrop Sargent, 1855      **A History of an Expedition Against Fort Duquesne in 1755 Under Major-General Edward Braddock** Winthrop Sargent, 1971      **On Campaign Against Fort Duquesne** Douglas R. Cobbison, 2015-06-08

During the Seven Years War Sir John St Clair served as Deputy Quartermaster General with British General Edward Braddock's disastrous campaign to capture Fort Duquesne at the Forks of the Ohio in 1755. St Clair had great responsibilities during the campaign and was the first Deputy Quartermaster General in North America's history. History has laid a litany of blame at Braddock's feet: he was old, slow, logistically naive, a martinet, poorly versed in tactics, uninterested in his soldiers' welfare, and unwilling to cooperate with the colonists. Based on a new transcription of St Clair's correspondence, this comprehensive study of Braddock's logistics offers a radical reinterpretation of the general and his campaign. The author also presents an examination of St Clair's role as quartermaster during Brigadier General John Forbes' subsequent and successful campaign against Fort Duquesne in 1758.

**Braddock's Campaign 1755** Winthrop Sargent, 2018-10-09

The road to disaster in the New World wilderness. The American theatre of the Seven Years War, known as the French and Indian War, has become a popular subject for military history students and enthusiasts. It pitted the great powers of Britain and France against each other on a continent which was a wilderness sparsely populated by primitive Indian tribes and colonists who were loyal to the antagonists according to their nation of origin. Everyone with an interest in this war has heard of Braddock's Campaign of 1755, which terminated on the Monongahela River. This was a catastrophic defeat for the British early in the conflict, which illustrated undeniable truths and taught brutal lessons. The French and their native allies demonstrated they understood how warfare should be fought in the great woodlands, while the British Army and its commanders fatally misunderstood how different this war would be from one fought on European battlefields. Caught in ambush, General Edward Braddock was killed, his force severely defeated. Only some of the colonial militia loyal to the British present, which included George Washington, acquitted themselves capably and in a manner which fortunately for the cause of the Crown they maintained for the rest of the war. This book, in its lengthier original form, included several first-hand accounts by those who were present. These have been removed to focus on the author's excellent history of the historical events. The eye-witness material has been included in Leonaur's Narratives of the French and Indian War series. Sargent's text has been enhanced with maps and illustrations which were not present in the original work. Leonaur editions are newly typeset and are not facsimiles; each title is available in softcover and hardback with dustjacket; our hardbacks are cloth-bound and feature gold foil lettering on their spines and fabric head and tail bands.
