the weekend has only just begun Douglas Adams's mega selling pop culture classic sends logic into orbit plays havoc with physics and twists time but most importantly it's very very funny **Unhomed** Pamela Robertson Wojcik, 2024-04-09 In this rich cultural history Pamela Robertson Wojcik examines America's ambivalent and shifting attitude toward homelessness. She considers film cycles from five distinct historical moments that show characters who are unhomed and placeless mobile rather than fixed characters who fail resist or opt out of the mandate for a home of one's own. From the tramp films of the silent era to the 2021 Oscar winning *Nomadland* Wojcik reveals a tension in the American imaginary between viewing homelessness as deviant and threatening or emblematic of freedom and independence. Blending social history with insights drawn from a complex array of films both canonical and fringe Wojcik effectively unhomes dominant narratives that cast aspirations for success and social mobility as the focus of American cinema reminding us that genres of precarity have been central to American cinema and the American story all along **The Hitchhiker's Guide to the Internet** Arthur Goldstuck, 1995

THE COMPLETE HITCH HIKER'S GUIDE TO THE GALAXY SERIES Don't panic First a legendary radio series then a sequence of bestselling books a television series a computer game a little known Belgian progressive rock opera a blockbuster movie and finally this handsome hardback edition primarily intended as a blunt object with which to bludgeon one's enemies. *The Hitch Hiker's Guide to the Galaxy* is one of the greatest fictional enterprises of the twentieth century. Telling the long circuitous and often inexplicable story of Arthur Dent left homeless and rather annoyed after the Earth is destroyed in order to build a hyperspace expressway this edition collects all five parts of the trilogy *The Hitch Hiker's Guide to the Galaxy* *The Restaurant at the End of the Universe* *Life the Universe and Everything* *So Long and Thanks For All the Fish* *Mostly Harmless* along with a wealth of extra material prefaced and contextualised by Jem Roberts the official biographer of Douglas Adams to complete the canon. Introduced by Richard Dawkins and Nick Harkaway *Hitchhiking in America: Using the Golden Thumb* Dale Carpenter, 2013-08-31 Though it tends to be looked down upon as a trivial activity confined to vagrants the feeble minded sex maniacs and serial killers hitchhiking needs to be re valued as a means to an end transportation and self education and as an end in itself as suggested by Jack London's wonderful paragraphs quoted at the top of p 35 This is a source book not just a casual handbook and by its appeal to a long tradition it gives hitchhiking well deserved stature. People have been hitchhiking since the first vehicle probably a raft was invented Odysseus hitchhiked St Paul hitchhiked anyone who hitchhikes today is keeping alive an ancient and honorable tradition and your book will help readers put modern hitchhiking into its particularly American context.
