## **The Hj Volume Ii Hitler Youth:**

**America: The Last Best Hope (Volume II)** William J. Bennett, 2008-04-06 Respected scholar William Bennett reacquaints America with its heritage in the second volume of America The Last Best Hope Volume II This engaging narrative slices through the cobwebs of time memory and prevailing cynicism to reinvigorate America with an informed patriotism While national test scores reveal that American students know startlingly little about their history former U S Education Secretary William J Bennett offers one of the most gripping and memorable versions of the American story in print Bennett brings American history to life with stories such as when Time magazine named Hitler man of the year Eisenhower's bold actions documenting the horrors of the Holocaust Nixon's comic opera uniforms for White House guards Reagan's most famous example of just saying No From upheavals of the Great Depression and WWII to the civil rights reforms of the 1960s from the high drama of the Space Race to the gut wrenching tension of the Cold War Bennett slices through the cobwebs of time memory and prevailing cynicism to reinvigorate America with an informed patriotism Praise for America The Last Best Hope This is the American history that Abraham Lincoln has long awaited Harry V Jaffa Crisis of the House Divided Bennett has a gift for choosing the pithy revealing anecdote and for providing fresh character sketches and critical analyses of the leading figures This is an American history that adults will find refreshing and enlightening and that younger readers will find a darn good read Michael Barone US News World Report A worthy and necessary book for our time Michael J Lewis Commentary Bennett has a strong sense of narrative a flair for anecdote and a lively style And the American story really is a remarkable one filled with its share of brilliant leaders and tragic mistakes Bennett brings that story to life Alan Wolfe The Washington Post The role of history is to inform inspire and sometimes provoke us which is why Bill Bennett's wonderfully readable book is so important He puts our nation's triumphs along with its lapses into the context of a narrative about the progress of freedom Every now and then it's useful to be reminded that we are a fortunate people blessed with generations of leaders who repeatedly renewed the meaning of America Walter Isaacson Benjamin Franklin An American Life The importance of America The Last Best Hope probably exceeds anything Dr Bennett has ever written and it is more elegantly crafted and eminently readable than any comprehensive work of history I've read in a very long time It's silly to compare great works of history to great novels but this book truly is a page turner Brad Miner American Compass This lively book acknowledges mistakes and shortcomings yet patriotically asserts that the American experiment in democracy is still a success story School Library Journal *Hitler Youth, 1922-1945* Jean-Denis G.G. Lepage, 2009-03-23 During the Nazi regime's swift rise to power no single target of nazification took higher priority than Germany's young people Well aware that the Nazi party could thrive only through the support of future generations Hitler instituted a youth movement the Hitler Jugend Hitler Youth which indoctrinated the easily malleable students of Germany's schools and universities Along with its female counterpart the Bund deutscher Madel League of German Girls the Hitler Youth produced many thousands of young Germans
