The Presence and The Power

Gerald F. Hawthorne, 2003-02-20 We cannot escape the truth writes Gerald Hawthorne that Jesus was completely one of us Yet Jesus taught with amazing authority spoke God's word with extraordinary power healed people who were sick raised people who were dead opened the eyes of the blind and did other miraculous things seemingly beyond the ability of humans How Hawthorne asks Was it by means of his divine nature that he did all this for certainly he was fully God as well as fully human No is his resounding answer Through a careful study of the New Testament Dr Hawthorne argues that Jesus did not act from the prerogatives of one who shared the nature of God Rather he did what he did through the Holy Spirit upon whom he depended for power and authority Essential to this view is the affirmation that Jesus was indeed fully human In the pages of *The Presence and the Power* the author shows the role of the Spirit in Jesus conception and birth in his boyhood and youth in his baptism and temptation and ministry and in his death resurrection Hawthorne brings his discussion to a climax by setting forth his own understanding of the mystery of the interworking of the human and divine in Jesus This all serves to usher the reader into the final chapter the role of the Holy Spirit in the life of the believer This concluding chapter makes the truths of the book very clear as to their life application for any and all of Jesus followers

Power From On High Jack Cottrell, 2007 The person and work of the Holy Spirit is a neglected study in many churches Some Christians think that the subject is so deep and mysterious that it is futile to study it Others hesitate to emphasize the study of the Holy Spirit since some religious groups hold such extreme views regarding Him Still it is encouraging to see many Christians making a serious study of the Bible's teaching on the Holy Spirit Dr Jack Cottrell with his leave no stone unturned approach to studying Scripture has completed the research for us as he examines the many concepts and characteristics of the Holy Spirit *Power From On High What the Bible Says About the Holy Spirit* has 11 chapters and 503 pages Jack Cottrell was long time Professor of Theology at Cincinnati Christian University He received his BA ThB Cincinnati Bible College and Seminary BA University of Cincinnati MDiv Westminster Theological Seminary PhD Princeton Theological Seminary
