The Holy Spirit In The Old Testament:

Knowing the Holy Spirit Through the Old Testament Christopher J. H. Wright, 2025-07-29 We tend to think of the Holy Spirit as the straggler of the Trinity a latecomer in God's interaction with the world But our first introduction to the Holy Spirit is not the drama of Pentecost in the second chapter of Acts We first meet the Holy Spirit in the second verse of the Bible hovering there speaking the world into existence Christopher Wright begins here and traces the Holy Spirit through the pages of the Old Testament We see the Third Person of the Trinity in the decrees of prophets and psalmists in the actions of judges and craftspeople in the anointing of kings and the promise of a new creation Knowable and discernable in the Old Testament the Holy Spirit is thus eminently knowable to us The witness of the whole of Scripture from its first pages to its last directs us to a Holy Spirit empowering the people of God and sustaining and renewing the face of the earth **The**

Holy Spirit in the Old Testament Leon J. Wood, 1998-06-24 There are more than veiled references to the Holy Spirit in the Old Testament The Spirit is seen as the creator the renewer of the life of humanity in redemption as the Person through whom the prophets of the Lord were inspired and through whom men and women received the gifts of wisdom for leadership administration and craftsmanship Dr Wood concludes his study by showing that the concepts of regeneration indwelling sealing filling and empowering by the Spirit were already in action in the Old Testament He presents a comparative study of the words for spirit in both testaments and shows how the Old Testament revelation serves as a background and a basis for a fuller understanding of the complete work of the spirit in present New Testament age of fulfillment **An Old Testament**

Theology of the Spirit of God Wilfred Hildebrandt, 2019-08-19 Wilf Hildebrandt carefully explores the meaning of the Spirit in the Old Testament He examines the role of God's Spirit in creation in the establishment and preservation of God's people in prophecy and in Israel's leadership He unveils the central role that the Spirit plays in creatively bringing about the directives of God Through the Spirit God brings order out of chaos ushers the invisible into reality makes a separation between the sacred and the profane enables specific people to meet particular needs and supersedes natural laws This work sheds light on the Spirit of God in both the Old Testament and the New Testament *The Holy Spirit in the Old Testament*

Leon James Wood, 1980 The Holy Spirit in the Old Testament Leon Wood, 1978 The Holy Spirit in the New Testament

David Ewert, 2004-10-14 In fifteen thorough chapters David Ewert surveys the whole range of New Testament authors to discover what they have to say on the Holy Spirit and what this means for the life of the believer and for the church To add another book on the Holy Spirit to the great number available is a daunting undertaking the author admits One can only hope that by ordering the biblical materials in a new way familiar truths will shine with new luster Perhaps by bringing the relevant biblical passages to bear on the life of the church in our day old truths can be seen in a new light The material is organized in three parts 1 The Promise of the Spirit considering all the passages of the Gospels that speak of the Holy Spirit 2 The Coming of the Spirit dealing with the Pentecostal outpouring of the Spirit in the book of Acts and the continual

overflow of the Spirit in the expansion of the church and 3 The Spirit in the Life of the Believer studying what the apostles have to say about the Holy Spirit in the epistles Many have instinctively sensed that the teaching of the New Testament on the Holy Spirit is a key that unlocks many doors the author notes Jesus likened the Spirit to the wind with its mysterious and numinous character Just as we can hear and feel the blowing of the wind by God s grace we can experience the presence and the power of the Spirit if we are willing to get in the path of God s wind *The Holy Spirit in the Old Testament*

Flattery,2019-02-16 The Holy Spirit in the Old Testament is volume one of a four volume set entitled A Biblical Theology of the Holy Spirit This volume consists of a study of the Scriptures in the Old Testament that refer to the Holy Spirit Various dimensions of the Holy Spirit s presence and work such as empowerment and spiritual life are included in this study Also included is work of the Spirit in lives of leaders prophets and the people Many authors dwell on the differences between the Old Testament and the New Testament According to Flattery there are differences but there are many points of similarity as well Both the differences and similarities provide the background for the presence and work of the Spirit in the New Testament *The Holy Spirit in the Old Testament* Jonas A. Ringenberg,1949 *The Holy Spirit* Albert B. Simpson,1896

The Holy Spirit, or, Power from on high A.B. Simpson,1959 The Holy Spirit or Power from on high an unfolding of the doctrine of the Holy Spirit in the Old and New Testaments Part I The Old Testament **Discovering the Holy Spirit in the New Testament** Keith Warrington,2005-08-01 The role of the Holy Spirit in the development of the early church was absolutely crucial as the New Testament documents were being written and circulated However many first century believers often unacquainted with the Old Testament had little knowledge of the work of God s Spirit Therefore the New Testament writers sought to explain his character and mission in the events they recorded and through the letters they penned Nevertheless many Christians today have only a vague understanding of the Holy Spirit the comfort he offers the gifts he imparts but few could articulate his vital role in the life of every believer Taking a text driven approach Warrington moves beyond the controversy and sensationalism associated with charismatic phenomena to examine the third person of the Trinity himself Progressing from Matthew to Revelation this in depth study allows the scriptures to speak out of their original contextual situations and into our lives today Readers will gain an appreciation of the Spirit as a complex wise creative powerful and personal member of the Godhead who is sent to equip empower affirm inspire gift and ultimately transform the people of God Each chapter concludes with helpful study questions and a useful bibliography **THE PERSON AND**

WORK OF THE HOLY SPIRIT R.A TORREY,Rev Terry Kulakowski, Editor,2015-11-29 How can the Holy Spirit have more of me The conception of the Holy Spirit as a Divine influence or power that we are somehow to get hold of and use leads to self exaltation and self sufficiency One who so thinks of the Holy Spirit and who at the same time imagines that he has received the Holy Spirit will almost inevitably be full of spiritual pride and strut about as if he belonged to some superior order of Christians One frequently hears such persons say I am a Holy Ghost man or I am a Holy Ghost woman But if we once grasp

the thought that the Holy Spirit is a Divine Person of infinite majesty glory and holiness and power who in marvelous condescension has come into our hearts to make His abode there and take possession of our lives and make use of them it will put us in the dust and keep us in the dust I can think of no thought more humbling or more overwhelming than the thought that a person of Divine majesty and glory dwells in my heart and is ready to use even me *The Christian and the Old Testament* Walter C. Kaiser Jr.,2019-04-24 Is the Old Testament relevant for today Yes Discover the unifying theme of the Old and New Testaments and of history in God s promise plan first given to Abraham in Genesis 12 Cross cultural workers and students of the Bible will discover valuable insights and new zeal for searching and communicating the Scriptures in this very readable book based on years of massive scholarship *The Holy Spirit in the Old Testament* Monroe Parker,1960

The Holy Spirit George T. Montague SM,2006-10-23 This book is a commentary on all the major biblical texts dealing with the Spirit from Genesis to Revelation It is an invaluable reference book for students teachers ministers Bible study groups or anyone interested in the Person and work in the Holy Spirit It perhaps found its widest use during the Charismatic renewal among both Protestants and Catholics and has remained a classic ever since The author George T Montague has not only provided a rich and thoughtful commentary on individual passages but he has by the nature of this work offered a multifaceted overview of the growth of the biblical doctrine on the Spirit covering many centuries From the time of the Yahwist when the Spirit was pictured as God s breath of life to the personalized understanding of the Spirit in the Fourth Gospel the biblical doctrine of the Spirit has evidenced steady development Using the findings of reliable scholarship but never burdening the reader with academic trivialities Professor Montague places a wealth of theological knowledge within the grasp of persons seeking to learn more about the Holy Spirit and striving to enrich their own spirituality *Applied Old Testament Commentary* Tom Hale,Steve Thorson,2007 The wisdom found in God s Word is timeless as relevant today as when it was first written And the challenge for believers remains unchanged how do we apply these truths to our everyday world The Applied Commentary series is a fresh approach to Bible study connecting great wisdom with your life today Each Scripture passage is enhanced with insights on key themes and ideas Featured articles provide a deeper look at essential concepts while the contemporary language allows for easy reading And because some subjects are open to interpretation for discussion we ve included perspectives from leading theologians from all backgrounds and denominations The result An interactive approach to Scripture that will challenge your ideas and build your faith which is what reading the Bible is all about **The Holy Spirit, in the Old Testament, in the New Testament, in You** David Shofner,2014-11-09 The Holy Spirit in the Old Testament in the New Testament and In You is an intensive study on the person and work of the Third Person of the Trinity Written by a pastor it addresses the subject from a background of preaching teaching reading and study of this most important subject **The Holy Spirit in the Old Testament** Hugh Milton McIlhany,1900 **The Spirit of the Old Testament** Rickie D Moore,2019-05-21 This book features a collection of articles on the Hebrew Scriptures that

spring from the author's many years of teaching Old Testament in a context combining academic study and faith formation. Covering a wide breadth of topics and texts from the Hebrew Scriptures from the Torah to the Prophets to the Writings, the unifying feature that emerges is an approach to Old Testament interpretation that refuses the dichotomy between academic scholarship and Pentecostal spirituality and seeks instead to re-fuse the connection between the sacred Scriptures and the Holy Spirit. These articles represent an unfolding effort to break ground and open up the emerging field of Pentecostal biblical hermeneutics.

Other Voices in Old Testament Interpretation W. Creighton Marlowe, 2019-09-17 The main goal of this book is to provide a collection of essays formerly only available separately in various academic journals that offer untraditional and original exegetical insights into or solutions to popular or problematic Old Testament texts and topics. It illustrates the science and art of exegesis by an author within a broad evangelical context and demonstrates the interpretive value of reading biblical texts without prejudice to tradition and with careful attention to their historical and cultural contexts.
