The Hope Of Christs Return Premillennial Commentary On 1 And 2 Thessalonians:

The Hope of Christ's Return: Premillennial Commentary on 1 & 2 Thessalonians Mal Couch, 2002-04 Dr Couch's commentary approaches the Thessalonians letters from a premillennial point of view but is adaptable for everyone. It is scholarly yet understandable, comprehensive but alive. He gives the key meanings of the Greek text, explaining each nuance of the language in a clear and concrete way. The reader will find a clear, compelling commentary, study questions at the end of each chapter, Bible study outlines for 1 and 2 Thessalonians, a glossary of theological terms, *The 1st Century Church Speaks to the 21st Century Church*. The church in Thessalonica was a congregation of new believers that was impacting their world for Jesus, but their awe-inspiring love for Christ came at a terrible price. They endured tremendous trials and tribulations to the point that many gave their lives for the gospel. Paul wrote 1 Thessalonians to further equip these young believers to live as beacons of light in an immoral city; he instructed them to go beyond their efforts in living for Christ and sought to clarify their understanding of the Rapture. After his first letter, rumors began to circulate throughout the church in Thessalonica that the Rapture had already taken place. Paul wrote 2 Thessalonians to dispel these rumors and to further encourage them to stand firm in Christ. This commentary speaks to the 21st-century Christian. With the persecution of believers on the rise, sexual immorality running rampant, and the abundance of End Time prophecies, Dr Couch's commentary will help the reader understand how to stand for Christ in a fallen world and find hope in Christ's return. *Evangelical Bible Doctrine* Dr. Keith Sherlin, 2015-12-10 Over twenty-one faithful evangelical Bible teachers have joined together in this work to both honor the legacy of Dr Mal Couch as well as to promote a solid, sacred and safe theological manual for the body of Christ. Colleagues and friends of Dr Couch such as Dr Wayne House, Dr Norman Geisler, Dr Arnold Fruchtenbaum, Dr Timothy Demy and more, along with many of Mal's students and disciples, set forth in this work a biblical and practical theology. The first half of the book covers all twelve of the major biblical doctrines of Christianity. The last half covers some of the hottest theological topics and practical issues that present-day believers ought to be aware of in order to properly defend the faith. In chapter 25, you will meet many of the disciples in Christ that Mal taught over the years as they express their gratitude for this godly giant of the faith. So if you are curious about what a holistic evangelical faith looks like and even curious as to how dispensationalism fits within orthodox evangelicalism, this book will provide for you a solid resource for many years to come. **Illustrated Bible Survey** Ed Hindson, Elmer L. Towns, 2017-07-01 This revised edition of *Illustrated Bible Survey* introduces all the books of the Bible from Genesis to Revelation and features expanded content dealing with current issues in Old Testament studies, the latest archaeological finds and recent theological issues. **The Essence of the New Testament** Elmer L. Towns, Ben Gutierrez, 2012 Leading biblical scholars from Liberty University offer a thorough survey of the complete New Testament with book introductions, theological concepts, practical applications, word studies and more. **The Gospel of the Christ** Thomas Lewis Stegall, 2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must

believe about Jesus Christ to possess eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ The end result is a comprehensive biblical and theological study of Jesus Christ s person and work in the contents of saving faith Elenchus of Biblica Maria J.
