

The House Of Diamond

M Woodhall

The House Of Diamond:

House of Diamonds: Dark Mafia Romance Rose Knight, GEMMA Damon loved me when no one else dared to He saw beyond the silks and jewels beyond the girl trained to smile and obey He saw me And now he s gone and his sacrifice haunts my every breath Now I am nothing A prisoner of my grief A ghost of the girl he fought to save I don t dream of escape anymore What s left to fight for when the only person who ever gave me hope is buried six feet under Then Dante Ferratti comes storming into my prison He doesn t want to save me He wants revenge And he s willing to burn the House of Diamonds to the ground to get it I should stay out of his way But when it comes to Sabina Diamond our enemies are the same And revenge might be the only thing still worth living for DANTE I ve fought my way through hell to stand here My family Gone My love Stolen My name Drowned in blood All because of one woman Sabina Diamond And now I will take back what s mine I will make her pay Ruthless lethal and charming as hell that s what they whisper about me But the truth I m already dead inside I just need to take her down before my body catches up I didn t come to Rome to fall I came to destroy Sabina Diamond took everything from me and I will carve my vengeance into her soul Then Crystal steps into my path her lips offering promises I can t afford to believe She s one of them one of Sabina s girls And yet there s something in her eyes something broken that calls to the ruin inside me That s when I meet Gemma A girl who should be broken beyond repair yet somehow she s still standing We both know what it s like to love and have them taken from us To live with ghosts clawing at our throats To want revenge so badly it poisons every breath We both want the same thing She thinks she s lost her fire She s wrong She s just been waiting for someone to burn with And together We ll set the world on fire This is the fourth book of the Dark Syndicate series Reading order Frank Dante Damon House of Diamonds Gates of Hell
