The House Of Tudor:

   The House of Tudor Alison Plowden,2011-07-31 The House of Tudor changed the history of Britain forever The Tudor monarchs have been immortalised in novels and films for generations However the true history of this incredible dynasty is often romanticised and fact is overlooked Alison Plowden s accessible and beautifully written history traces the family s turbulent reign of power from Henry VII the first Tudor monarch who fathered the great Henry VIII Henry VIII went onto revolutionise England s armed forces and implement controversial reforms in England Yet he is perhaps most remembered for his tumultuous love life and the fates of his six wives including Anne of Boleyn who sparked an international crisis He fathered four known offspring including Mary I and Gloriana Elizabeth I the Virgin Queen who reigned for 44 years in what is known as England s Golden Age This book not only re tells the familiar stories of these famous monarchs revealing the truth behind the scandals but it also recounts the history of the less well known Tudor monarchs Edward VI Lady Jane Grey the uncrowned Queen of England and those who came directly before and after them Edward IV and James I If you read on history of the Tudors make it this one you are sure to be enthralled and surprised by how the facts are often more incredible than the fiction surrounding them   Rich and Poor in Tudor Times Peter D. of Scots This decidedly darker take on the Tudors from 1485 to 1603 covers a whole host of horrors from the Tudor reign Particular attention is paid to the various gruesome ways in which the Tudors despatched their various villains and lawbreakers from simple beheadings to burnings and of course the dreaded hanging drawing and quartering Other chapters cover the various diseases prevalent during Tudor times including the dreaded Sweating Sickness rather topical at the moment unfortunately as well as the cures for these sicknesses some of which were considered worse than the actual disease itself The day to day living conditions of the general populace are also examined as well as various social taboos and the punishments that accompanied them i e the stocks as well as punishment by exile Tudor England was not a nice place to live by twenty first century standards but the book will also serve to explain how it was still nevertheless a familiar home to our ancestors He does not shy away from the gory details which adds another element to stories that are familiar to those who are Tudor fans If you want something spooky to read in October or know more about the darker side of Tudor history I recommend reading House of Tudor Adventures of a Tudor Nerd It really does cover so many different things that there will be something for everyone whatever your interests are political personal medical or death A brilliant gory discourse on my favourite period of history Tudor Blogger   Cyclopædia of Political Science, Political Economy, and of the Political History of the United States, by the Best American and European Writers John Joseph Lalor,1899   **Demorest's Monthly Magazine** ,1885   The art journal London ,1890   *A Digest of the Laws, Manners, and Institutions of the Ancient and Modern Nations* Thomas Dew,1881   **The book of texts of ancient and modern history, &c** Francis Armstrong Power,1879   *A History of England from the Earliest Times to 1688* David Hume,1880   **The Practical Farmer's Year Book for ...** ,1899   The Speakers of the House of Commons from the Earliest Times to the Present Day with a Topographical Description of Westminster at Various Epochs & a Brief Record of the Principal Constitutional Changes During Seven Centuries Arthur Irwin Dasent,1911   *The civil service history of England, revised and enlarged by H.A.
