**Pauline Baptism among the Mysteries** Donghyun Jeong,2023-07-04

This monograph provides an alternative model for looking at the old question about Paul and the mysteries in a new light

Specifically this study compares rituals baptism in the Pauline communities and the initiation rituals of the mysteries through the lens of cultural anthropology and the sociology of religion Three research questions lead the project What benefits does each initiation ritual promise its participants What are the underlying messages or structures that guarantee the efficacy of those rituals How and to what extent is the initiation ritual connected to the participants cognition and ethics beyond initiation itself Taking those questions as the analytical framework this study substantiates two points first in terms of ritual messages baptism in the Pauline communities is a ritual analogous to mystery initiation and second Paul is an innovative interpreter of ritual who recalibrates the messages of preexisting rituals for his theological and ethical program seeking to radically extend the implications of initiation to the embodied life of every Christ believer Students and scholars of New Testament early Christianity classics and ritual studies will benefit from engaging this volume

The scholarly standard of the contributions is uniformly high Professor Meldrum has put forth a stimulating book on a central theme in Western literary studies Western American Literature

*Death and Dying, Spirituality, and Religions* Lucy Bregman,2003

The death awareness movement provides a new language for speaking about death and dying by stressing death dying and bereavement as meaningful human experiences beyond their medical context This movement appears secular and detached from religion although its advocates embrace spirituality However is this separation from religion realistic Death and Dying Spirituality and Religions refutes that view and undermines the popular opposition between spirituality and religion The death awareness movement is deeply indebted to popular Christianity Judaism and Buddhism as well as tribal religions for their ideas and images Urging a thoughtful theological response this book illustrates how such diverse religious legacies contribute to contemporary views of death and dying

**Afterlife** Morton T. Kelsey,1979

This is a book about what really happens after we die by one of today s major religious writers Professor Kelsey in this successor to his best selling The Other Side of Silence responds to the question What ever happened to the Christian belief in a life after death After showing that many Christians no longer believe in an afterlife because they no longer believe

in the spiritual world Kelsey goes on to demonstrate the reality of the afterlife and its implications for our daily living The author discusses the role of mysticism and meditation drawing on his experiences with the dying and his teaching of pre medical students at Notre Dame classical spirituality Jungian psychology and the findings of parapsychology as ways to help his readers deepen their faith back cover **The Doctrine of the Atonement as Taught by Christ Himself** George Smeaton,1871
