The Concept of the Human Soul William P. O'connor,2015-07-02 Excerpt from The Concept of the Human Soul According to Saint Augustine The aim of this dissertation is to present and explain the concept of the human soul as it is found in the writings of Saint Augustine The soul of man was for Saint Augustine an object of life long study and investigation He was not particularly concerned about the soul as such the plant soul or the irrational soul of the brute except insofar as a study of these might serve to throw some light on the nature and activities of the human soul His interest in the soul of man was not actuated by mere curiosity to know for the sake of knowing but he sought to know the human soul as a means whereby he might arrive at a clearer and better understanding of the Supreme Being The concept of the human soul as it appears in the writings of Saint Augustine is not set forth in a systematic manner but the elements that enter into its make up are found widely scattered through his various philosophical apologetical polemical exegetical and

dogmatical works He wrote a few special treatises on the human soul but he never attempted to construct an organized philosophy of the soul The present thesis proposes to collect and coordinate the philosophical fragments of Saint Augustine s doctrine of the human soul and to interpret these in the light of his mental progress There is a tendency on the part of some commentators to over emphasize the Platonic character of Augustine s doctrine of the human soul It is true that those works which were published during the first few years of his career manifest the strong influence of his recent study of Neo Platonism The treatises however which belong to that period when he was Bishop of Hippo and one of the most renowned scholars of his day stamp him unquestionably as a Christian philosopher It is indispensable to the correct understanding of Augustine s concept of the human soul that due regard be paid to the development which characterizes his doctrine About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Top Books of the Year The Human Soul The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
