## **The Diary Of A West Point Cadet:**

*The Diary of a West Point Cadet* Preston Pysh, 2010-11 A graduate's captivating and hilarious stories that teach vital leadership lessons from the US military academy

**A Young General and the Fall of Richmond** G. William Quatman, 2015-02-13 Despite his military achievements and his association with many of the great names of American history Godfrey Weitzel 1835-1884 is perhaps the least known of all the Union generals After graduating from West Point Weitzel a German immigrant from Cincinnati was assigned to the Army Corps of Engineers in New Orleans The secession of Louisiana in 1861 with its key port city of New Orleans was the first of a long and unlikely series of events that propelled the young Weitzel to the center of many of the Civil War's key battles and brought him into the orbit of such well-known personages as Lee Beauregard Butler Farragut Porter Grant and Lincoln Weitzel quickly rose through the ranks and was promoted to brigadier general and eventually to commander of Twenty-Fifth Corps the Union Army's only all-black unit After fighting in numerous campaigns in Louisiana and Virginia on April 3, 1865 Weitzel marched his troops into Richmond the capital of the Confederacy capturing the city for the Union and precipitating the eventual collapse of the Southern states rebellion G. William Quatman's minute-by-minute narrative of the fall of Richmond lends new insight into the war's end and his keen research into archival sources adds depth and nuance to the events and the personalities that shaped the course of the Civil War

To Be a Soldier Julian M. Olejniczak, 2015-02-06 West Point is a geographical location that was of critical importance during the Revolutionary War the site of our nation's first military academy and the commissioning source of thousands of Army Air Corps Air Force and even some Navy and Marine Corps officers who have led our nation's young men and now women in battle since the Academy's founding on March 16, 1802 by President Thomas Jefferson This volume contains a very selective military history of the United States that focuses on the Revolutionary War and the contributions of West Point graduates to subsequent wars but with an emphasis on some of the lesser-known persons and events of the past 250 years or so It also touches upon many of the customs and traditions of the West Point experience Many chapters include the stories of unsung or forgotten heroes and heroines Men like John Stark Daniel Morgan Eleazer Derby Wood Benjamin L. E. Bonneville Oliver Otis Howard Henry Ossian Flipper Calvin Pearl Titus Charles Young Norman D. Cota and Donald W. Hollender plus women like the Warner sisters Laura Walker and Emily Perez One of the final chapters however deals within the kindest sense of the term a few rogues of West Point like Edgar Allan Poe James McNeil Whistler Hugh S. Johnson and The Mole

**The Colored Cadet at West Point** Henry Ossian Flipper, 1968      **The Corps of Cadets** Robert Stewart, 1996 And narrative insight into the unique institution and the lives of its cadets From athletic field to parade ground from dormitory to classroom from combat course to cadet chapel every aspect of a cadet's daily routine is explored in Robert Stewart's kaleidoscope of colorful photographs His book will bring back memories for graduates and help others gain a better understanding of the demands and rewards of Academy life Although the focus is on today's West Point      *McClellan's War*

Ethan S. Rafuse, 2011-11-23 An important book that rescues George B McClellan's military reputation. Chronicles a bold, brash and full of ambition George Brinton McClellan seemed destined for greatness when he assumed command of all the Union armies before he was 35. It was not to be. Ultimately deemed a failure on the battlefield by Abraham Lincoln, he was finally dismissed from command following the bloody battle of Antietam. To better understand this fascinating, however flawed character, Ethan S. Rafuse considers the broad and complicated political climate of the earlier 19th Century. Rather than blaming McClellan for the Union's military losses, Rafuse attempts to understand his political thinking as it affected his wartime strategy. As a result, Rafuse sheds light not only on McClellan's conduct on the battlefields of 1861-62 but also on United States politics and culture in the years leading up to the Civil War. Any historian seriously interested in the period will come away from the book with useful material and a better understanding of George B. McClellan. *Journal of Southern History*. Exhaustively researched and lucidly written, Rafuse has done an excellent job in giving us a different perspective on Little Mac. *Civil War History*. Rafuse's thoughtful study of Little Mac shows just how enthralling this complex and flawed individual continues to be. *Blue Gray magazine*.      **The Diaries of John Gregory Bourke** John Gregory Bourke, 1964      Medical Histories of Union Generals Jack D. Welsh, 2005 During the Civil War the majority of the 583 Union generals studied here were afflicted by disease, injured by accidents or suffered wounds. This book includes a glossary of medical terms as well as a sequence of medical events during the Civil War, listing wounds, accidents and deaths.      *The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces*, 1890      *Catalogue of English Prose Fiction and Juvenile Books in the Chicago Public Library* Chicago Public Library, 1898      Golden Days for Boys and Girls, 1886      **Subject Catalog of the Military Art and Science Collection in the Library of the United States Military Academy** United States Military Academy Library, 1969      *Honorable Warrior* Lewis Sorley, 1998 A man of extraordinary inner strength and patriotic devotion, General Harold K. Johnson was a soldier's officer loved by his men and admired by his peers for his leadership, courage and moral convictions. Lewis Sorley's biography provides a fitting testament to this remarkable man and his dramatic rise from obscurity to become LBJ's Army Chief of Staff during the Vietnam War. A native of North Dakota, Johnson survived more than three grueling years as a POW under the Japanese during World War II before serving brilliantly as a field commander in the Korean War for which he was awarded the Distinguished Service Cross for extraordinary heroism. The latter experiences led to a series of high level positions that culminated in his appointment as Army chief in 1964 and a cover story in *Time* magazine. What followed should have been the most rewarding period of Johnson's military career. Instead, it proved to be a nightmare as he quickly became mired in the politics and ordeal of a very misguided war. Johnson fundamentally disagreed with the three men: LBJ, Secretary of Defense Robert McNamara and General William Westmoreland running our war in Vietnam. He was sharply critical of LBJ's piecemeal policy of gradual escalation and his failure to mobilize the national will or call up the reserves. He was equally despondent over Westmoreland's now infamous search and destroy

tactics and reliance on body counts to measure success in Vietnam By contrast he advocated greater emphasis on cutting the North's supply lines helping the South Vietnamese provide for their own internal defenses and sustaining a truly legitimate government in the South Unheeded he nevertheless continued to work behind the scenes to correct the nation's flawed approach to the war Sorley's study adds immeasurably to our understanding of the Vietnam War It also provides an inspiring account of principled leadership at a time when the American military is seeking to recover the very kinds of moral values exemplified by Harold K Johnson As such it presents a profound morality tale for our own era Lippincott's Magazine, 1885 *The Cadet Phase of the Professional Socialization of the West Pointer* John P. Lovell, 1962 **The Annual American Catalog, 1900-1909**, 1909 *Bulletin* Boston Public Library, 1881 Quarterly accession lists beginning with Apr 1893 the bulletin is limited to subject lists special bibliographies and reprints or facsimiles of original documents prints and manuscripts in the Library the accessions being recorded in a separate classified list Jan Apr 1893 a weekly bulletin Apr 1893 Apr 1894 as well as a classified list of later accessions in the last number published of the bulletin itself Jan 1896 **Bulletin of the Public Library of the City of Boston** Boston Public Library, 1879 Class List for English Prose Fiction Boston Public Library, 1877 Catalogue of Printed Books, 1883
