The History and Culture of Kashmir Manohar Lal Kapur, 1992 There Has Existed Enough Material For The Writing Of History In Our Country And Many Scholars Have Been Making Their Contribution In This Field From Time Immemorial But The Methodology Adopted By Them Was Defective In Many Respects The Myths And Legends For Instance Were Not Always Distinguished From Historical Facts Some Times They Treated The Historical Events Merely As A Means Of Religious Propaganda Or As Background For The Display Of Their Poetical Skill The Same Is True Of Kalhana And Many Other Great Historians Of Kashmir While The Basic Value Of Their Works Cannot Be Underestimated All Of Them Need A Highly Critical Examination With A View To Getting At The Truth And Writing A Reliable History Of Early Kashmir The Present Work Is An Attempt In This Direction No Doubt Some Other Scholars Also Have Done Likewise And Successfully There Is Still Scope For Further Work In Fact The Source Material Is So Vast And Varied That Only A Few Selected Topics Have Been Included Even In This Volume And It Is Hoped That These Would Enthuse Other Scholars To Undertake Further Research On The History And Culture Of Kashmir Which Would Definitely Prove Rewarding Early History and Culture of Kashmir ,2003-06-01

Early History And Culture Of Kashmir Second Revised Edition Dr. Sunil Chandra Ray,Foreward By Sardar K. M. Panikkar,1995-05-01 Illustrations 12 B w Illustrations Description Dr S C Ray s Early History and Culture of Kashmir is an outstanding piece of research on a very important region of India He brings out clearly the unique characteristics of Kashmir history Not only does he give a connected narrative of Kashmir s political evolution based on all available sources literary archaeological numismatic foreign allusions etc but brings out the cultural religious and social development of the people of the valley It s in my opinion a model of what such regional histories ought to be and I congratulate Dr Ray on producing a work of great value on an area which should be better known to the people of India as a whole History and Culture of Himalayan States ,1983 *Culture and Political History of Kashmir: Modern Kashmir* Prithivi Nath Kaul Bamzai,1994

370: Undoing the Unjust BlueKraft Digital Foundation,2025-08-08 The most definitive account of how Article 370 was abrogated The inside story of how Prime Minister Narendra Modi turned the seemingly impossible into a reality An eye opening read on the damage Article 370 inflicted on Jammu and Kashmir A book that will interest diverse readers including students scholars and historians Introduced in October 1949 Article 370 turned out to be a long standing permanent temporary provision till 5 August 2019 when it was abrogated by the Parliament of India The article has been subjected to intense debate and much discussion over the years Those who supported it cited Jammu and Kashmir s unique situation in 1947 while those who opposed it questioned how one nation could have two constitutions two flags and two sets of rules The naysayers also questioned its reductive aspects the denial of basic rights to the poor scheduled caste and scheduled tribe

communities and women But whichever side one stood on the conventional belief for sixty five years since Independence was that Article 370 can never be repealed But then came 5 August 2019 when the supposedly impossible became a reality 370 Undoing the Unjust A New Future for J K takes the reader through the minute and meticulous planning that ensured seamless execution of the decision Removing Article 370 not only needed strategic planning and political will but also mammoth logistical preparations Every single aspect would have to be addressed or else the region especially the Kashmir valley would plunge into chaos The book offers a glimpse of Prime Minister Narendra Modi s thought process insights into his leadership and most importantly his vision for Jammu and Kashmir By ensuring that Article 370 is repealed Prime Minister Modi altered the course of history But along with that he also fulfilled the decades old commitment of the Bharatiya Janata Party Deeply researched anecdotal and unputdownable this book fills the gaps on scholarship around an iconic moment of Indian history
