original work Encyclopedia of Christian Education George Thomas Kurian, Mark A. Lamport, 2015-05-07 Christianity regards teaching as one of the most foundational and critically sustaining ministries of the Church. As a result, Christian education remains one of the largest and oldest continuously functioning educational systems in the world, comprising both formal day schools and higher education institutions as well as informal church study groups and parachurch ministries in more than 140 countries. In *The Encyclopedia of Christian Education*, contributors explore the many facets of Christian education in terms of its impact on curriculum, literacy, teacher training, outcomes, and professional standards. This encyclopedia is the first reference work devoted exclusively to chronicling the unique history of Christian education across the globe, illustrating how Christian educators pioneered such educational institutions and reforms as universal literacy, home schooling, Sunday schools, women's education, graded schools, compulsory education of the deaf and blind, and kindergarten. With an editorial advisory board of more than 30 distinguished scholars and five consulting editors, *The Encyclopedia of Christian Education* contains more than 1,200 entries by 400 contributors from 75 countries. These volumes cover a vast range of topics from Christian education history, spanning from the church's founding through the Middle Ages to the modern day, to denominational and institutional profiles, intellectual traditions in Christian education, biblical and theological frameworks, curricula, missions, adolescent and higher education, theological training, and Christian pedagogy. Biographies of distinguished Christian educators. This work is ideal for scholars of both the history of Christianity and education as well as researchers and students of contemporary Christianity and modern religious education. Experiencing the Spirit Robert Heidler, 2011-08 The Christian life is not a set of rituals or teachings but a relationship with God through His Holy Spirit. No matter how much you know about the Bible, no matter how strong your self-discipline is, no matter how hard you try to serve and please God, if your relationship with the Holy Spirit is weak, the Christian life will not work for you. In this book, Robert Heidler shows how God wants to unleash His power in your life to bring you into a dynamic, life-giving relationship with the Spirit of God. We were given the Holy Spirit to make the Christian life experiential, to make Jesus real in our lives. So stop struggling to survive from week to week and start living every minute in the power He has given you. Length: 240 Pages.
