New scholarship on Katherine Mansfield s *The Garden Party and Other Stories* together with creative work inspired by Mansfield The last collection of short stories published in her lifetime *The Garden Party and Other Stories* would solidify Katherine Mansfield s place as the most prominent modernist short story writer of her generation Early reviewers of the collection commented on the similarities it shared with her previous collection *Bliss and Other Stories* however while contemporary reviews were mixed many emphasised the psychological power of her stories praising how she was able to bring her characters to life in a way simple action could not While it contains some of Mansfield s most sophisticated and well loved stories several of the stories in *The Garden Party* initially appeared in the *Sphere* and thus were often dismissed as inferior Mansfield herself felt some of these stories fell short of her desired effect though recent
