**Manly Meals and Mom's Home Cooking**

Jessamyn Neuhaus,2012-03-15 A study of what American cookbooks from the 1790s to the 1960s can show us about gender roles food and culture of their time From the first edition of The Fannie Farmer Cookbook to the latest works by today's celebrity chefs cookbooks reflect more than just passing culinary fads As historical artifacts they offer a unique perspective on the cultures that produced them In Manly Meals and Mom's Home Cooking Jessamyn Neuhaus offers a perceptive and piquant analysis of the tone and content of American cookbooks published between the 1790s and the 1960s adroitly uncovering the cultural assumptions and anxieties particularly about women and domesticity they contain Neuhaus's in depth survey of these cookbooks questions the supposedly straightforward lessons about food preparation they imparted While she finds that cookbooks aimed to make readers mainly white middle class women into effective modern age homemakers who saw joy not drudgery in their domestic tasks she notes that the phenomenal popularity of Peg Bracken's 1960 cookbook The I Hate to Cook Book attests to the limitations of this kind of indoctrination At the same time she explores the proliferation of bachelor cookbooks aimed at the man in the kitchen and the biases they display about male and female abilities tastes and responsibilities Neuhaus also addresses the impact of World War II rationing on homefront cuisine the introduction of new culinary technologies gourmet sensibilities and ethnic foods into American kitchens and developments in the cookbook industry since the 1960s More than a

history of the cookbook *Manly Meals* and *Mom's Home Cooking* provides an absorbing and enlightening account of gender and food in modern America. An engaging analysis Neuhaus provides a rich and well-researched cultural history of American gender roles through her clever use of cookbooks. Sarah Eppler Janda, *History Reviews of New Books* With sound scholarship and a focus on prescriptive food literature, *Manly Meals* makes an original and useful contribution to our understanding of how gender roles are institutionalized and perpetuated. Warren Belasco, senior editor of *The Oxford Encyclopedia of American Food and Drink* An excellent addition to the history of women's roles in America as well as to the history of cookbooks. *Choice*

A sampling of general topic areas covered includes Agriculture, Labor, Food Processing, Marketing and Advertising, Trade and Distribution, Retail and Shopping, Consumption, Food Ideologies, Food in Popular Media, Food Safety, Environment, Health, Government Policy and Hunger and Poverty. This encyclopedia introduces students to the fascinating and at times contentious and ever so vital field involving food issues. Key Features: Contains approximately 500 signed entries concluding with cross references and suggestions for further readings. Organized A to Z with a thematic Reader's Guide in the front matter grouping related entries by general topic area. Provides a Resource Guide and a detailed and comprehensive Index along with robust search and browse functionality in the electronic edition. This three volume reference work will serve as a general non-technical resource for students and researchers who seek to better understand the topic of food and the issues surrounding it.

Danielle Alvarez is an acclaimed restaurant chef but *Recipes for a Lifetime of Beautiful Cooking* is dedicated to her favourite way of cooking at home for and with friends and family. This fully photographed and illustrated hardback featuring over 110 recipes and a ribbon marker draws on Danielle's love of Italian and French food, her Cuban roots, time spent cooking in California and then in Australia, and all the incredible Asian influences that have coloured her time in Sydney. The recipes are eclectic because her interests in flavour are diverse. We are so lucky to live in a world where one night we might be cooking something Indian, then next something Italian and then something Australian. Danielle celebrates this luxury, then applies the essential principles of respecting where food comes from and preparing it with care and attention. Wherever you live, if you have a basic grocery store you can adopt and enjoy the 100 plus recipes in this book. Every idea from easy weeknight meals such as a Zucchini frittata or a hearty Cavolo nero and anchovy risotto to more elaborate weekend projects like Bolognese with homemade Tagliatelle or a Sweet and sour cumin lamb shoulder to gorgeous desserts such as Plum galette with a fennel crème anglaise is designed to help you find happiness in your kitchen with the best that is available to you and according to the ebbs and flows of your mood, budget and tastes. A lifetime of beautiful home cooking starts here.
