*The Homosexual Lie* Claire Henry,2004-01-05 perfect bound 4 color cover      **Anything But Straight** Wayne R. Besen,2003 A historical perspective on the dispute examining ex gay groups such as Love in Action Exodus International Homosexuals Anonymous and profiling a cast of characters      Unconditional Justin Lee,2013-01-17 Gay The word seemed to hold the weight of eternity within its single syllable As strange as it may seem in all the years I had struggled with my sexuality the idea that I could be gay had simply never crossed my mind I was a Christian That was my whole life And Christians weren t gay This could be the most important book you read this year It s a memoir An exploration of what is and what could be Most of all it s a clarion call to the church to rediscover the love that Jesus called us to Unconditionally So many gay lesbian bisexual and transgender people give up on Christianity because they cannot reconcile who they are with what they were brought up to believe that the Bible teaches about sexuality Here is a wonderfully told story of a brave young homosexual man who has struggled to hold onto his faith while still affirming himself as gay This is a must read Tony Campolo      *Marriage Equality* Steven F Kindle,2017-06-16 Support for marriage equality is booming across America and the world As people become more acquainted with gays and lesbians they find their attitudes shifting and are rethinking their opposition not only to same sex marriage but to gay rights in general This book introduces the gay community to those who want to know more about their lives their struggles and their pursuit of full equality If you are giving this serious thought and want reliable information this book is for you It is also for LGBTs who wonder if God loves them and if any Christians are on their side They will find that the Bible is very much on their side It is written from the perspective of a straight Christian pastor who moved from opposition to LGBTs and their movement to fully embracing their cause Through examining the biblical scientific psychological and constitutional evidence a full picture emerges of a common humanity in pursuit of common needs Many myths and lies are debunked and a forthright Christian defense of marriage equality is presented      **Be Not Deceived** Michelle Wolkomir,2006-01-24 In Be Not Deceived Michelle Wolkomir explores the difficult dilemma that gay Christians face in their attempts to reconcile their religious and sexual identities She introduces the ideologies and practices of two alternative and competing ministries that offer solutions for Christians who experience homosexual desire Through careful analysis of the groups ideologies interactions and symbolic resources Be Not Deceived goes far beyond the obvious differences between the ministries to uncover their similarities namely that both continue to define heterosexuality as the normative and dominant lifestyle      **Ex-Gay No Way** Jallen Rix,2010-09 Bringing to light an extreme fundamentalist Christian view this insider s perspective offers hope to people grappling with the aftereffects of a cult like movement often known as reparative Therapy The movement assumes that going from gay to straight is easily changeable and change worthy despite decades of psycho sexual research to the contrary Although it did not succeed in making the author a Southern Baptist who attended an ex gay ministry at a young age straight it did undermine his self

esteem and confuse him significantly thus leading him to pursue an advanced degree in sexology in order to help others in similar positions Offering a detailed comparison of the ex gay world and the phenomenon known as Religious Abuse this manual shares a personal journey through the hopeless mistreatment and manipulative system of ex gay ministries and the recovery process involved in regaining strength acceptance and self worth [Two Views on Homosexuality, the Bible, and the Church](#) Zondervan,2016-11-29 Unique among most debates on homosexuality this book presents a constructive dialogue between people who disagree on significant ethical and theological matters and yet maintain a respectful and humanizing posture toward one another Few topics are more divisive today than homosexuality Two Views on Homosexuality the Bible and the Church brings a fresh perspective to a well worn debate While Christian debates about homosexuality are most often dominated by biblical exegesis this book seeks to give much needed attention to the rich history of received Christian tradition bringing the Bible into conversation with historical and systematic theology To that end both theologians and biblical scholars well accomplished in their fields and conversant in issues of sexuality and gender articulate and defend each of the two views Affirming represented by William Loader and Megan K DeFranza Traditional represented by Wesley Hill and Stephen R Holmes The main essays are followed by insightful responses that interact with their fellow essayists with civility Holding to a high view of Scripture a commitment to the gospel and the church and a love for people especially those most affected by this topic the contributors wrestle deeply with the Bible and theology especially the prohibition texts the role of procreation gender complementarity and pastoral accommodation The book concludes with reflections from general editor Preston Sprinkle on the future of discussions on faith and sexuality The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion [\*\*Homosexuality FAQs - A Christian Perspective eBook\*\*](#) Daniel Lim & Ian Toh, 2022-07-22

Homosexuality is not a recent phenomenon or a newly emerged issue It exists since the ancient time despite the suppression by tradition and culture It started to surface in recent years as technology and media have developed in racing speed The society has become more open and acceptive to the topic people started to reflect on the traditional thinking on human relationship voices and discussions regarding homosexuality are getting common The word homosexuality which merely means same sex relationship in the past has evolved to LGBTQ which covers Lesbians Gays Bisexuals Transgenders and Queers nowadays Although there are more discussions do we truly understand LGBTQ How should we discern the right and wrong From Christian perspective how should see it and live with its community Does the Bible provide us the answer In the past when religions are confronted by issues of homosexuality and LGBTQ they would quickly jump into a conclusion such as sin against the nature promiscuity unclean etc On one hand religious communities subconsciously hold different attitudes and mindsets toward LGBTQ community on the other hand media coverage and celebrity influence exalt the revolution and

advocacy of LGBTQ so that people or religious bodies who hold different point of views may be labeled as conservative old fashioned traditional conventional etc Over time a gap has formed between LGBTQ and religious communities Nevertheless before we decide between the right and wrong or give people a label of unrighteousness could we jump out of the endless quarrel opposition or criticism Could we adjust our perspective to understand to observe and to contemplate the matter so that we can better serve this community and walk with them with the love of Christ while we hold on to the law and principle of God Homosexuality FAQs A Christian Perspective is a wonderful guide for Churches It helps readers to understand the issue more comprehensively find out the viewpoints of the Bible and learn how to reach out and serve LGBTQ community This book clears doubts and confusions on LGBTQ through 10 questions in the first section It tries to rebut general arguments from objective and scientific perspective In the second section it discusses LGBTQ from biblical perspective through 16 questions Lastly the editors laid out 6 questions to discuss the relation between Christians and the society on LGBTQ issue Each answer begins with quick response to give readers the key concept then followed by elaboration and more supplementary information This structure is clear and easy to follow What I appreciate the most is that it does not merely lay out a pile of data and evidence but also shares ministry tips at the end of some answers so that readers can break through the frame of merely knowledge thinking and critique and more important they can learn how to bridge the gap between the LGBTQ and us counsel and serve LGBTQ community Whether you want to know more the issue or feel the burden to serve the LGBTQ community this book is worth to read Bishop Dr Titus Chung Anglican Diocese of Singapore President National Council of Churches of Singapore **Gay/lesbian Liberation** George R. Edwards,1984 This book shows on biblical grounds that gay lesbian liberation rightfully belongs to the genre of liberation theology that the homophobic rejection of gay lesbian persons by church and synagogue cannot claim biblical sanction and that a sexual ethic based on agape is accessible to all people of both hetero and homo sexual orientation **Homosexuality, Science, and the "Plain Sense" of Scripture** David L. Balch,2007-07-01 Elucidates the pros and cons of current Christian discussion on the question of homosexuality Challenges partisan views and provides a balanced discussion **The New Testament and Homosexuality** Robin Scroggs, Just what is a proper use of the Bible especially the New Testament in Christian debates about acceptance of homosexuals In addition to bringing clarity and honesty to issues of the relevance of the Bible this work brings a little more light and a little less heat to the discussion a little more acceptance of all persons on the other side and maybe even an awareness that in Christ there is really no other side at all **God, Sex, and Politics** Dawne Moon,2004-07 Dawne Moon explores how members of Protestant congregations determine beliefs about God and justice **Straight to Jesus** Tanya Erzen,2006-06-27 Every year hundreds of gay men and lesbians join ex gay ministries in an attempt to convert to non homosexual Christian lives In this fascinating study of the transnational ex gay movement Tanya Erzen focuses on the everyday lives of men and women at New Hope Ministry a residential ex gay program over the course of several years Straight to Jesus traces the stories of people who have

renounced long term relationships and moved from other countries out of a conviction that the conservative Christian beliefs of their upbringing and their own same sex desires are irreconcilable Rather than definitively changing from homosexual to heterosexual the participants experience a conversion that is both sexual and religious as born again evangelical Christians At New Hope they maintain a personal relationship with Jesus and build new forms of kinship and belonging By becoming what they call new creations these men and women testify to religious transformation rather than changes in sexual desire or behavior Straight to Jesus exposes how the Christian Right attempts to repudiate gay identity and political rights by using the ex gay movement as evidence that change is possible Instead Erzen reveals the realities of the lives she examines actually undermine this anti gay strategy

*The Gay Gospel?* Joe Dallas,2007-02-01 In this updated edition of A Strong Delusion author and counselor Joe Dallas helps readers understand what pro gay theology is and how to confront it In a biblical manner Dallas examines believers personal responses and the need for bold love and commitment as they become familiar with the movement s background and beliefs study a clear scriptural response to each belief extend Christ s love to those living the homosexual lifestyle This resource is an important one for those who have been unsure how to respond to the growing acceptance of homosexuality in the evangelical community It offers the balance between conviction and compassion and a practical guide to communicating with those who have embraced the pro gay Christian movement

Oriented to Faith Tim Otto,2014-07-07 Rather than embracing the conflict around gay relationships as an opportunity for the church to talk honestly about human sexuality Christians continue to hurt one another with the same tired arguments that divide us along predictable political battle lines If the world is to know that we are Christians by our love the church needs to discover better ways to live out the deep unity we share in Christ as we engage with politics and our world In Oriented to Faith Tim Otto tells the story of his struggle with being gay and what that taught him about the gospel With an authentic and compelling personal voice Tim invites us to explore how God is at work in the world even amidst the most difficult circumstances redeeming and transforming the church through this difficult debate With gentle wisdom and compassionate insight Tim invites all followers of Jesus to consider how we might work with God through these tensions so that all can be transformed by God s good news in and through Christ embed container position relative padding bottom 56 25% height 0 overflow hidden max width 100% embed container iframe embed container object embed container embed position absolute top 0 left 0 width 100% height 100%

**A Place at the Table** Kenneth D. Thurow,2009 There has been ongoing controversy over the place of non heterosexuals in church and society with ordination and same sex unions being particular hot button topics Now Kenneth D Thurow a pastor in the Evangelical Lutheran Church in America makes a compelling case for welcoming non heterosexuals to A Place at the Table basing his case on the Bible the social sciences and the theology and mission of the church This book offers guidance on interpreting the Bible examines what the Bible says about sexual behaviors explores the concept of abomination invites reflection on life outside of Eden declares welcome to be a vital part of the church s mission

and recommends specific actions an accessible fresh compelling reframing of the issues around non heterosexuality Moving beyond current rhetoric this book returns to essential questions how do we read the Bible see ourselves as church and understand the mission of God as including radical hospitality It will encourage dialog around one of the hot topic issues facing the church Dr Ann Fritschel Associate Professor of Hebrew Bible Wartburg Theological Seminary makes an excellent case for enlightened understanding of scripture Discussion of biblical texts is vast and fair Chapters provide excellent lead ins to discussion Dr Frank Benz Professor Emeritus of Old Testament Wartburg Theological Seminary

### **Four (and a half)**

**Dialogues on Homosexuality and the Bible** Donald J. Zeyl,2022-02-07 Four and a half Dialogues on Homosexuality and the Bible explores four different interpretive approaches to biblical texts regarding homosexuality and same sex marriage Differences of interpretation are discussed openly honestly and charitably The dialogues four characters maintain friendship with each other despite their disagreements and so the book serves as a model of how difficult potentially divisive conversations on a controversial topic might be conducted Three of the four perspectives presented for examination are well represented in the existing literature the fourth is not as familiar and is offered and developed as a proposal for bridging the divide that persists among theologically conservative Christians who honor the authority of Scripture over their thinking and their living Ongoing conflict over this issue is destructive of the unity toward which the Bible summons all believers to strive and so the book includes also a call to create space for one another both individually and institutionally for differences in theological conclusions and in community practices Each of the dialogues begins with one of the characters telling their personal story regarding their sexuality continues with that character s case for their view and concludes with a series of suggested discussion questions
