**and Valuable Books** Bernard Quaritch (Firm),1896      The Living Age ,1888      **Medieval Horizons** Ian  
Mortimer,2023-02-23 The essential introduction to the Middle Ages by the author of The Time Traveller s Guide series the  
most remarkable medieval historian of our time The Times UK We tend to think of the Middle Ages as a dark backward and  
unchanging time characterized by violence ignorance and superstition By contrast we believe progress arose from science  
and technological innovation and that inventions of recent centuries created the modern world But as Ian Mortimer shows in  
this fascinating book we couldn t be more wrong In this revelatory history Mortimer shows how people s horizons their  
knowledge experience and understanding of the world were utterly transformed between 1000 and 1600 marking the  
transition from a warrior led society to that of Shakespeare Medieval Horizons sheds light on the enormous cultural changes  
that took place from literacy to living standards inequality and even the developing sense of self Mortimer demonstrates why  
this was a revolutionary age of fundamental importance in the development of the Western world      **The National Union**  
**Catalogs, 1963-** ,1964      *The Epworth Herald* ,1911
