The Horsemans Companion:

The Horseman's Guide to the Meaning of Life Don Burt,2018-09-04 Don Burt believes that we can learn as much about patience commitment strengths and weaknesses and goals from our horses and other horsemen as we can teach them He has made that perception an integral part of his life and his work with horses and riders Whether introducing a young colt to saddle and bridle competing in or judging an entry level horse show or a national championship or organizing an informal trail ride or running an international organization Burt has observed analyzed and applied what he has experienced or observed to other aspects of his life Drawing from decades of familiarity with thousands of horses and horsemen the author distills and shares this wisdom in a folksy yet insightful style in The Horseman's Guide to the Meaning of Life As Burt tells us in this profound and entertaining reflection on his life and craft the horse will tell you everything if you take the time to pay attention My experience working with Skyhorse is always a positive collaboration The editors are first rate professionals and my books receive top shelf treatment I truly appreciate our working relationship and hope it continues for years to come
