## **The Horses Of Sable Island:**

The Wild Horses of Sable Island Debra Garside, 2014      Race the Wild Wind Sandra Markle, 2011-07-19 From acclaimed science writer Sandra Markle comes a fascinating survival story about the wild horses of Sable Island. During a shipwreck a young stallion leads a band of horses to safety on an arc of golden land Sable Island off the coast of Nova Scotia. In gorgeously illustrated panoramic views readers will see how the herd quickly adapted to harsh winters before the warmth of spring brought new life and new foals. But when a severe summer storm puts the horses in danger once again only by racing the wild wind can they survive the trials of nature in their new home      **The Wild Horses of Sable Island** Roberto Dutesco, 2014 Sable Island a small island off the coast of eastern Canada is the site of some 500 wild horses 500 shipwrecks and 500 years of known history. Never settled the island also known as the Graveyard of the Atlantic has seen temporary occupation by shipwrecked sailors transported convicts pirates and wreckers. The wild horses named for the island they inhabit abandoned there long ago or cast ashore from wrecks are now the only terrestrial mammals on Sable Island. Roberto Dutesco's 20 years documentation of Sable Island comes to you as a stunning volume of photographs an unprecedented collection of extraordinary moments in a place uninhabited by humans where the wild horses run free unaware and unafraid of man. Dutesco portrays the wild beauty of these horses as well as the barren and unspoiled quality of the island creating an immersive photographic memoir that captures the soul and spirit. The Romanian born Canadian photographer's aim is to document and record this enchanted place for posterity for our children's children as an important place in Earth's history and more so in our current moment when unique wild places are vanishing. It is Dutesco's life project celebrating the beauty he encountered in a place forgotten by time desire and conquest. And after arriving on the sandy windswept crescent of land Ellie feels adrift and alone until one afternoon when she awakens on a dune to find herself looking into the curious eyes of a wild stallion.
