**The House of Saud** David Holden, Richard Johns, 1982 The rise and rule of the most powerful dynasty in the Arab world

**Beneath the Veil Fall of the House of Saud** David Oualaalou, 2018-10-30 Saudi Arabia faces a time of uncertainty The life its rulers once enjoyed from the sale of oil is now threatened by newly emerging reserves from Iran and the United States Saudi Arabia's aged ailing monarch has defied decades of custom by naming his son as next in line for the throne Already the future heir's ill conceived policies have brought trouble to the house of Al Saud proxy wars rage in the Middle East and foreshadow a confrontation with an increasingly powerful Iran Meanwhile unrest grows at home Discontented Saudi youth grow restless from high unemployment and a repressive society The monarchy itself arrests members of its own family without cause while the religious establishment exerts its repressive influence over society Saudi Arabia finds itself weakening as the Middle East transforms Within the pages of this work one glimpses a vision of the future the inevitable demise of Saudi Arabia

**Saudi Arabia** William Wesley Adams, California State Polytechnic University, Pomona. Department of History, 2006

*Ballistic Missile Proliferation in Non-Nuclear States* Karim El-Baz, Ali Ghanbarpour-Dizboni, 2024-08-14 This book offers an exploration of ballistic missile proliferation in the Middle East and also delves into the geopolitical landscape to unveil a narrative of contemporary Middle Eastern history The central focus of this book is to decipher the pivotal moments when three regional powers of the Middle East Egypt Saudi Arabia and Iran embraced ballistic capabilities as a strategic response to military vulnerabilities The authors contend that the very essence of ballistic proliferation incorporates a tactical rationale provided by military needs that varies from one state to another and it is upon the assessment of these military needs that the decision to procure ballistic missiles is made Offering a blend of theoretical insights and primary sources based case studies this book dissects the decision making processes that spurred

these states to choose ballistic missiles despite their inefficiencies in delivering conventional payloads The absence of an effective air force emerges as a catalyst triggering what the authors term a moment of ballistic consciousness Spanning three diverse regimes the work provides a rich historical tapestry and untangles the complexities of political decisions with military implications providing a fresh perspective on global power dynamics This narrative sheds light on the intersection of military strategy geopolitical realities and the pursuit of ballistic capabilities that shapes the world's security landscape This book will be of much interest to students of arms control nuclear proliferation Middle Eastern politics and International Relations

*The Ruling Family of Ur III Umma* Jacob L. Dahl, 2007      **Holy Wars (Routledge Revivals)** Dilip Hiro, 2013-11-05 To some Islamic Fundamentalism means the restoration of a true religion To others it is a politics that stands apart from capitalism and socialism To many Westerners it has come to constitute a threat to established order and international security Holy Wars first published in 1989 comprises a non partisan narrative that takes account of both the socio cultural values expressed in Fundamentalism and its political consequences Dilip Hiro's starting point is that fundamentalist forces have been active within Islam since the death of the Prophet Muhammad He presents the two major sects Sunnis and Shias in this light Hiro provides the background for an understanding of what was taking place in Middle Eastern countries such as Afghanistan Libya Egypt and Syria at the end of the 1980s This is a comprehensive and readable work of great relevance and value to those with an interest in Middle Eastern politics and history and the growth of Islamic Fundamentalism      *The World & I*, 1988      **The Rise, Corruption and Coming Fall of the House of Saud** Saïd K. Aburish, 1994 Saudi Arabia is teetering on the brink of bankruptcy It had a surplus of 140 billion in 1982 but now even its own official figures show a deficit of 60 billion and the national debt is expected to reach 100 billion by 1995 Profligacy of this kind allied to utter disregard for the well being of the people is nothing new in Saudi Arabia What is new is the scale of the debt now so great that the House of Saud can no longer bribe its people and Arab neighbours into silence Already the IMF has served notice that fundamental changes are required in the way the country is governed Between 1982 and 1992 the average income in Saudi Arabia more than halved increasingly politicised the people are now demanding a greater say in the running of their country They blame the House of Saud for the current problems and its politics and personal behaviour are unacceptable not just to them but to Arabs and Muslims everywhere While the developed countries of the West especially the USA need oil they are committed to seeing on the Saudi Arabian throne a king who will keep it flowing at the right price without endangering the future of the country But the odds are against such a change      Major Issues in Islam Harvey J. Sindima, 2017-11-02 This book explores matters that have negatively affected the public image and led to distorted depictions of Islam from the late nineteenth century to the present The areas of uneasiness and debate among Muslims and non Muslims alike include Islamic values and identity in the post caliphate era after colonialism and now under Western hegemony There is anxiety about the place of Shari'a in the light of Western law and the state secularism democracy human

rights the equality of women and the place of Islamic education in transmitting Islamic values as secular education dominates societies There are apprehensions over the relation between religion and politics as in the rise of Muslim Brotherhoods Wahhabism Islamism al Qaeda and Islamic State In non Muslim countries concerns are about the status of Muslim marriage polygamy divorce and interest in business Every topic is examined through the Noble Qur an and the Hadith classical writings and linguistic analysis *A Brief History of Saudi Arabia* James Wynbrandt,2014-05-14 Details the rich culture and history of Saudi Arabia **Time** Briton Hadden, Henry R. Luce,1955 *Michael Moore's Fahrenheit 9/11* Robert Brent Toplin,2006 Examines the development of Michael Moore's ideas and the evolution of his filmmaking then dissects Fahrenheit 9 11 and explores the many claims and disagreements about the movie's truthfulness This study shows that Michael Moore's film did more than shake up a nation *Saudi Babylon* Mark Hollingsworth, Sandy Mitchell,2012-08-17 When Sandy Mitchell was arrested for his alleged involvement in two bombings in Saudi Arabia in December 2000 he thought it was a case of mistaken identity and that he would soon be released Instead he spent nearly three years in jail where he was repeatedly tortured before being forced to sign a confession and admit his guilt on Saudi television Throughout his incarceration the Saudi authorities knew that the attacks had been committed by al Qaeda militants Yet they kept Mitchell in jail and refused him access to a lawyer for a year By this time he had been sentenced to death but he was eventually released before the penalty could be imposed Saudi Babylon is the story of a shocking miscarriage of justice But it also reveals an even more disturbing truth how the British government mindful of multi billion pound arms sales to Saudi Arabia virtually abandoned Mitchell by adopting a softly softly diplomatic approach to the corrupt Saudi royal family Based on diaries and records of meetings with ministers and officials this is a powerful expos of how the British government acts when one of its citizens is illegally imprisoned and tortured by a regime with which it does business The Wide World Magazine ,1919 **Business Week** ,2002 Vanity Fair ,2003-10 The Saudi Decision-making Body Enver M. Koury,1978
